HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2351

Hare – Flower

An enthusiastic bunch of 16 ½ gathered around the fire pit in Flower's back yard in Bridgeman Downs for another installment of Flower's famous adventures.

At 6.30pm, Flower called for quiet to give the run instructions. Unlike last week everyone suddenly became quiet, not wanting a repeat of last week and getting lost in the first 100m. Out the front to the right.

The Run

A small group of 4 runners including Sex Change, Ned, Cheesecake and Chunda led the way marking off trail as they went. They left the walkers in their wake and set a blazing trail down Albany Creek Rd and off into the back streets ensuring that the walkers couldn't catch them and getting home first to enjoy the spoils of the esky.

The Walk

The walkers started off chasing the runners and that's the way it stayed as we never caught them. Up and down the hills of Bridgeman Downs and West Carseldine eventually making it back to Flower's after a nice 5.53km walk.

The Circle

Our GM was back and called the circle to order. Flower was summoned to the center to face the wrath of the run/walk appraisers.

Sex Change was asked to give a run report. He said it was long and perfectly formed, just like his

Johnson. It was an enjoyable run with Ned even managing to keep his shirt on for the majority of the run. But all 4 runners were evenly matched and kept together. He gave it a score of **1 out of 2**.

Pleasure Island was asked to give the walk report – she thought it was very good and very well marked and that she enjoyed it. They even managed to see a very large owl at the end. A long eared owl that turned into a wallaby. She gave it a score of **2 1/2 out of 10**.

Smooth Ride was asked to give a run count with two notable runs being Pounda – 300 and Structure Fucker – 200. Both were missed being called forward for a drink but we will get the bastards next week.

Retuning runners were then called for with Sex Change, ET and Singapore Sling asked to explain their reason for being absent from Hash. Sex Change said that he has travelled far and wide and met many wonderful maidens on his travels and thought that was a fair enough excuse not to come to Hash. It was suggested that he has just been to Thailand chasing lady boys. ET said that her and Singapore Sling had been travelling around the country side all the way up to Darwin for the Nash Hash and enjoyed it so much that they stayed in Darwin for a bit longer. The real story was that Singapore Sling hit it a bit hard in Darwin, and thought that he'd better spend some time in the company of some young nurses in the Darwin hospital for a while.

Charges were then called for as below.

Charges	Awards
Dog – charged by Sex Change for getting cozy with a little green amphibian during the last camping trip. See Ditty below.	Big Dick – Titus gave this to Tika for attacking him when he arrived Hash and for defecating out on the trail. Illegally Blonde will hold onto this for Tika which means that Dog won't be getting any this week.
Ned – charged by Sex Change for impersonating a young Hasher and calling an On On like a young fella that hasn't had his balls drop yet.	Two Dicks – Cheesecake gave these to Chunda because he hasn't learnt that he's not 21 anymore. On the weekend at the Blackbutt trail ride, he came off his bike. Not once but twice in the same ride.
Pleasure Island – charged by Pounda for being a little too helpful like last week with Dog's jacket. While out on the trail, she was following Pounda and when he went off trail to go into the bush for a quick pee, she tried to follow him in to lend a hand.	Grub shirt – Pleasure Island had this and tried to give it to Dog for not writing his name on it the week before. She was made to keep the shirt as Dog didn't have it, he was only passing it on from Wrong Way who had it. One thinks that more research is required there next time Pleasure Island.
	The Bone – Cheesecake gave it to Sex Change for not following instructions for the run and going the wrong way after the creek crossing.

When Dog dropped a log on the head of a Frog

In the sweet Northern air with the landscape so rare, the Hash they did come up to camp

On a property clean fringed with verdant pristine but conveniences needing revamp

Two frogs they did abide in the rim they did hide of one such vitreous bowl

For many months prior they could croak and conspire for they never did meet but a soul

Then cometh the night when all men must alight the baggage they often do carry

To the dunny Dog went, without tremulous rent and without time to delay and tarry

He sat himself down on the throne without crown and proceeded to ponder politely

Aware not what went on in the depths of beyond to give rise to a scene so unsightly

‘That’s not very nice, you’ve had curry with rice and you know that us frogs just eat flies

You shat on my head and it now must be said that you humans I rather despise.’

Off swam the frog on which dog did a log carried along by the tide

To the bowels of the earth, and a welcome berth of a place to warm up and hide

And many months passed where the frog should be gassed but croaking sounds bellowed so deeply

Til one sunny day in the sweet month of May the frog climbed back up the pipes oh so steeply

So big fat and green with a slimy slick sheen he could no longer fit into the crack

A target he made to be picked up and displayed and to nature be taken right back

So the moral is there take much better care before you ablute in the way such as Dog

It behoves us sublime to use all of our mind not to dump on the head of a frog

‘Before spending a penny, try not to condemn me to a solitary time down below.

I’d much rather be outside on a tree eating flies and croaking hello,’
