HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2352

Hare's – Structure Fucker & Smooth Ride

A good size crowd gathered under the council gazebo beside the Sandgate pool, waiting for yet another Structure Fucker Adventure. There was no fire pit this week; apparently Structure Fucker didn't get the council permit in time.

At 6.30pm, Structure Fucker called for quiet to give the run instructions. Flat run with no hills, yeah likely story and they were off, runners and walkers heading off in the same direction.

The Run

A small group of 4 runners including FIGJAM, Ned, Cheesecake and B1 led the way and almost got lost in the first 300m, doubling back before finding trail again and headed for the stairs.

They weren't seen again until almost the end as they came sneaking up behind the last group of walkers. Except FIGJAM, he wasn't sneaking as you could hear his shuffle a mile away.

The Walk

The walkers started on a nice casual walk chasing the runners and headed up the stairs with the worst hand rail in South East Queensland. Last time I checked hand rails were supposed to be at hand height. Not these ones though; they varied from ankle height to mid-thigh height and never actually reached the correct height. Everyone made it back safe and sound, including the short cutters.

The Circle

Our GM called the circle to order and Smooth Ride was asked to give a run count with a notable run this week being ET with 100 runs. She was called forward along with Structure Fucker (200 runs) and

Pounda (300 runs) who were called forward for missing out on a drink last week.

Structure Fucker and Smooth Ride were then called forward to face the firing squad.

Cheesecake was asked to give a run report. He said the run report was pretty easy. Same shit, different day. He gave it a score of **1 ½ out of 10**.

Ryvita was asked to give the walk report – she thought it was great and said that she doesn't care where she walks, as long as she can walk it (I reckon she would care if she walked in front of a bus). No hills, well-marked and it was good. She gave it a score of **5 out of 10**.

Killer was asked to give a short cutters report and complained about the hills/stairs, other than that he went as far as the park and then came back. He gave it a score of **2 out of 10**.

Total of 8 ½ out of 30.

As this week is a State of Origin week for footy, FIGJAM, Titus, Vampire, Tail, Ryvita, Jake the Peg and Pounda were called out for being able to read an email and wearing their footy gear.

Ryvita was then called out for a drink as she had a birthday on the weekend. 21 again and again and again.

Retuning runners were then called out being Tail. She has been to Perth, Longreach, Winton and Keppel Sands. Just out spending the kid's inheritance. A photo appeared of her in Winton standing next to a dinosaur. It was suggested that she not stand still for too long though as the tourists might mistake her for one.

Charges were then called for as below.

Charges	Awards
Titus – charged by Chunda for having technology in the circle and answering his phone in the circle.	Big Dick – Tika still has this and has taken it for a road trip to Carnarvon Gorge.
Killer – charged by B1 for some lost property. B1 produced a tourist's guide for Thailand with some pages marked of spots to visit. Hash Runs, Massage parlors/brothels, gay and lesbian venues. Never let the truth get in the way of a good story.	Two Dicks – Chunda gave these to Titus for having his phone go of in the circle, not once but TWICE. He has a <u>twodicktaphone</u> .
Jake the Peg – charged by Jake the Peg. He actually tried to charge Structure Fucker for using chalk in the colors of the rainbow for his arrows, suggesting that he might bat for the other side. But as there were only two colors of chalk used the charge was very quickly reversed.	Grub shirt – Pleasure Island gave this to Ten Fingers for falsely accusing her of not wearing Hash attire.
Ten Fingers – charged by Ten Fingers. He tried to call out some Hashers for not wearing any Hash attire. But the first person he tried to get was Pleasure Island who was actually wearing a BNH3 shirt. Charge very quickly reversed.	The Bone – Sex Change still has this.
Tail – charged by Flower for liking fluffy things. Geez these sisters get up to some weird shit together.	
B1 – charged by FIGJAM for not listening to instructions at the local tip and trying to football kick a lump of wood. Might need some steel cap boots there young fella.
