HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2353

Hare's – Vampire & and her trusty sidekick Structure Fucker

A magnificent size crowd of 17 gathered under the council gazebo at Suttons Beach, Redcliffe. This was fantastic considering that it rained for most of the day, which usually scares a few off. For those in the know this was also great, as lately every time Vampire has a run at Redcliffe, it rains.

At 6.30pm, everyone was eager to get the run instructions, but due to the heavens opening up again we had to wait a few more minutes to get under way. Eventually quiet was called for to give a cut down run instruction. Trail was set but the rain has since washed it away. The jetty is off that way, see you later, and the brave were off due to another impending storm on its way.

The Run

I have no idea how many runners went on the run, who was on the run or even where they went. It was dark and we didn't really care anyway.

The Walk

It was pretty much the same situation for the walkers. No idea who went, where they went, and YES, didn't really care. I was dry under the gazebo. Everyone made it back safe and sound, even Ned who the police were frantically looking for all night. At least that's what we told him.

The Circle

The GM called the circle to order and Smooth Ride was asked to give a run count.

Vampire and Structure Fucker were called forward to face what we thought was going to be a firing

squad, but the scores given suggested that the firing squad were firing blanks.

Cheesecake was asked to give a run report. He said it was a well set run with lots of arrows, lots of checks, lots of regroup. I don't know what he was on but bullshit was the call. He gave it high praise with a score of **4 out of 10**.

Ryvita was asked to give the walk report – she said that they went past the swimming pool and that it was lovely on the waterfront. She gave it a score of **4 out of 10**.

Tail was asked to give a security report – She said just as well we were here as the police turned up several times and we were asked as responsible citizens to keep an eye out for a missing woman. Clearly the police don't know us very well if they think we are responsible citizens. She gave it a score of **1 ½ out of 10**.

Total of 9 ½ out of 30.

The circle was then handed over to the RA, who had no choice, but to get in the middle and take a drink as the RA. Everyone know that when it rains during the run that the RA gets a drink. Thanks Abo.

There were no retuning runners this week.

Charges were then called for as below.

| Charges | Awards |
|---|---|
| Pounda – charged by Pounda for it raining during the run/walk. | Big Dick – Tika still has this and has taken it for a road trip. |
| Flower – charged by Pounda as Flower was warned last week that if her name was called for the run count and it was on the audio then she would be sitting on ice. The audio didn't lie and she was lucky that Pounda didn't have any ice. | Two Dicks – Titus has these and got away with not having a drink for not bringing them as no one could remember who actually had them, including Titus. |
| Ten Fingers and Ryvita – charged by Ryvita as on the return leg of the walk they walked into the wrong gazebo and wondered who all the strange people were. | Grub shirt – Ten Fingers gave this to Why Not because Why Not? |
| Flower – charged by Tail for not being at home to be picked up by Tail for Hash when she got there. Tail had to join her in the middle as she clearly doesn't know what a phone is and how to use it. | The Bone – Sex Change still has this. |
| Pounda – charged by Jake the Peg for missing the empty can bucket even though he was only half a meter away. | The Walking Stick – Sister Sludge still has this. That will slow her down a bit. |
| Why Not – charged by Cheesecake for talking himself up about how he was going to shit on all of the regular riders during Cheesie's Challenge. Well Cheesie's Challenge is on this weekend and Why Not is conveniently busy. He can talk the talk, but can't walk the walk. PUSSY | |
