HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2355

Hare's – Chunda & Cheesecake

Well they came out of the woodwork this week, with a big crowd of 19 (20 if you include Tika) gathering at the high jacked abode of Over Proof and Heart Starter in Kallangur, for Chunda and Cheesecake's adventure.

At 6.30pm, the GM sent everyone out the front to give the run/walk instructions. It's on chalk, the trail is on the left, except when it is on the right. It's all flat, except when it's not. Check it out. And the pack was off.

The Run

The run pack was bolstered with the return of the Jams, Why Not, Strong As, Sex Change and even Jake the Peg going for a run (two of them decided half way around to walk and were rightfully charged for their sins). The pack was so keen to get away from the walkers, that one Harriette decided to conduct some horizontal planking only 25m from the start (more on that one later).

They all made it back (although not safely as one of them had a fight with a road sign) charge to follow.

The Walk

The rest of the crowd set off on a nice leisurely walk around Kallangur that resulted in a 4km walk for the smart ones. The rest of the walk couldn't stack up with the entertainment that happened at the start of the run, although Tika did manage to go 400m from the start before Dog was called upon for poop duty. Well done Tika. Eventually everyone made it back to home with less trouble than the runners.

The Circle

The GM called the circle to order and Tail, without even being asked for, said one more than last week. **ONE JOB TAIL**

The GM then called for Over Proof and Heart Starter to explain why they haven't been at Hash for so long. They came up with some excuse about doing a walking/riding trek from Cooktown to Harrietville along the National Trail. More like they wanted to go on holidays together and see how long it would take to kill each other. They also became grandparents again while they have been away. Congratulations Nanny and Poppy.

The RA then called for Chunda and Cheesecake to get in the middle to face the firing squad.

Why Not was asked to give a run report. He said that it started off a bit flat both left and right because that's how these two tricky pricks like to work and how they like to make your life on the run misery, or at least B1's life and they do that with ease. Interesting run with a few hills, lots of checks and a couple of re-groups. He gave it a score of **-2 out of 10**.

Dog was asked to give the walk report – He thought it was pretty good and that everyone had a good time. He gave it a score of **-3 out of 10**.

Illegally Blonde was asked to give a security report – She said it was outstanding as she was looking after the place. No one messes with Illegally Blonde. She gave it a score of **6 out of 10**.

Total of 1 out of 30.

Retuning runners were called for with Sex Change, Next Week and Strong As.

Next Week said that he was going to come last week but he came this week instead, maybe he might come **Next Week** as well. Like what I did there.

Sex Change said that he just got lost, went roaming and ended up at Hash again, and Strong As was asked for more than two words and said that she was sick. That was three words.

Charges were then called for as below.

Charges	Awards
Strong As – charged by Pounda for her version of horizontal planking and taking a nose dive into the asphalt only 25m from the start. Remember for beginners to lift your feet when you run.	Big Dick – Cheesecake had this and gave it to Pounda for leaving some lost property in his car after last week's run. Pounda left a stubby holder complete with empty beer can on the back seat of Cheesecake's car. I don't know how it can be considered lost property though if Pounda knew it was there.
B1 – charged by Strong As for being the second casualty of the run and running into a street sign. And not just any little street sign either, but a bloody big one. Someone needs to go to Spec Savers.	Two Dicks – Structure Fucker has these and was MIA this week.
Sex Change and Jake the Peg – charged by FIGJAM for starting off on the run and then having a sook halfway around and walking. Something was said about the Poms whining about the cricket as well.	Grub Shirt – Why Not still has this and somehow got away without getting a drink for not bringing or wearing it. He will be rightfully punished next week.
Sex Change tried to charge Strong As and wanted her renamed Tail as all he was doing on the run was chasing tail and got nowhere. This was very quickly reversed and he was made to have a drink.	The Bone – Sex Change had this and gave it to Illegally Blonde for doing such a great job on the security front.

Flower – charged by FIGJAM for proposing him with a sexual invite and saying ‘FUCK’ as he ran past her. He replied that he doesn’t have time right now.	The Walking Stick – Hooker had this but as she wasn’t there, Flower awarded it to B1 for FUCK BOOM. That’s the sound he made when he hit the road sign out on the run.
Illegally Blonde then told a joke about blondes and pregnancy and Pounda told a joke about Barbie dolls and pregnancy. Both jokes got a laugh. <u>Pay attention Ten Fingers</u>
