HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2356

Hare – To & From

As I wasn't at Hash this week (attending my sister's wedding in Nth QLD), I will try to write this with what I do know, which some say isn't much. But as I am a WO in the Army, we have a saying which is "I'm a Warrant Officer and I know things".

From the photos I was sent, I can confirm that there was at least 12 Hashers at this week's run, but after listening to the audio I can confirm there was 16. The hare was To & From, who managed to make it back from Bali in time due to there being no volcano's going off in the region causing flight issues. He even managed to make it back through customs unscathed.

At 6.30pm, I assume the GM called for quiet so that the run/walk instructions were given and I assume the pack was then sent off.

The Run

The run pack consisted of 5 runners who were sent off somewhere in Chermshire to negotiate what I assume was some ups and downs knowing that area.

The Walk

There rest of the crowd set off on what I assume was a nice walk and I assume that eventually everyone made it back safe and sound.

There was lots of assuming going on while writing this.

The Circle

The GM called the circle to order and as Smooth Ride was back, Tail was sacked and a run count was given this week.

The GM then called for To & From to be front and center to answer for his crimes.

FIGJAM was asked to give a run report. He said that it was uphill and downhill and uphill and downhill. They managed to see a lot of the country side including Toombul. He gave it a score of **2 ½ out of 10**.

Dog was asked to give the walk report – He said that he was shown where to go, left and right and up and down and thought it was a good walk. He gave it a score of **-1 out of 10**.

Smooth Ride was asked to give a security report – She said there was nothing to report and that it was all quiet. She did manage to clock up 3000 steps during the time everyone was away though. No score was given so that was a **0 out of 10**.

Total of 1 ½ out of 30.

Retuning runners – there was no returning runners this week (there actually was in Nasa, but the GM forgot all about it). I don't know, the RA goes away for one week and it all falls apart.

The BNH3 Golf Day was played on the weekend with thanks to Wheelbarrow for the day.

Results below:

The Big Stick (Gun Golfer) – Floater

Bushy Man Award (2nd Highest Score) – Why Not

Bradman Award (Highest Score) - Killer

Most Average Golfer (Middle of the Pack) – Tail

The Gorilla Shot (Longest Drive) - Chunda

Dead Eye Dick (Closet to the Pin) - Floater

Charges and awards were then called for as below.

Charges	Awards
Tail – charged by Why Not for thievery on a grand scale. Tail stole the trophy from Chunda in a putt off for the most average golfer in the golf day.	Big Dick – Pounda has this and was absent in Nth QLD.
Why Not – charged by FIGJAM for ball tampering during the Bledisloe Cup.	Two Dicks – Structure Fucker has these and was MIA this week.
	Grub Shirt –Why Not had this and gave it to FIGJAM for over achieving and having his name on the shirt ten times. That's going to be eleven now.
	The Bone – Dog had this and gave it to Titus for looking after the women tonight.
	The Walking Stick – B1 has this and forgot to bring it. And got away without getting a drink for forgetting it.

Next Week's run – Run No. 2357 - 14 Aug 23.
