## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2357

#### Hare's – Pounda and Beat-a-Root

We have been averaging approx. 15 Hashers lately during the colder months, however they came from everywhere for last night's run. They didn't come for the run itself but clearly came for Beat-a-Root's cooking and the great spread that she puts on.

With Military like precision timing at exactly 1830hrs (6.30pm for those not in the lingo), Pounda called for quiet to deliver the run/walk instructions. He said tonight's run has no hills (bullshit was the call) and it is set entirely on chalk, no toilet paper and no flour. Although Flower was on the walk. Out the driveway and on left.

#### The Run

The run pack consisted of 4 runners who were sent off to negotiate a few of the hills in Lawnton, meeting back up with the walkers only to be split up again and then rejoin again before the end of the trail. The two young ones in B1 and Strong As had to do most of the checks, as Chunda was on chalk duty and FIGJAM was bringing up the rear. Although I was told that he did manage to do a couple of checks. Checking that your heart is still beating doesn't count Figgy.

#### The Walk

The rest of the huge crowd set off on what one could only describe as the best walk of the year. No hills and a nice sedate 4.5km. The last two walkers came back in at pretty much the same time as the last runner. Military precision in setting that trail.

## The Circle

The GM called the circle to order and Smooth Ride was asked to give a run count. There was a notable run this week in B1 reaching 100 runs. (more to follow on that one)

The GM called for Pounda and Beat-a-Root to be in the center to receive their high praise for the best run of the year.

Strong As was asked to give a run report - She said that Pounda lied about the hills so they weren't fun at all. And the arrows were small and hard to see and someone had been through after the trail was set and added some more arrows which made it confusing. She gave it a score of **3 out of 10**.

Singapore Sling was asked to give the walk report – He said that he noted that there were no hills on the walk which was good. He gave it a score of **6 out of 10**.

Beat-a-Root was asked to give a security report as she was the only one to remain behind (she was in the kitchen cooking up a storm) – She said that we had an unexpected visitor. She had come out to put some stuff out and then went back inside, and when she came out again, Killer and 10 Fingers were standing there in the dark (what was going on there). She gave it a score of **-1 out of 10**.

**Total of 8 out of 30.**

The GM then presented B1 with a BNH3 cricket hat for his 100<sup>th</sup> run and Pounda a BNH3 pin for his 300<sup>th</sup> run. He then as the GM presented B1 with a personally organized engraved mug for his 100<sup>th</sup> as he is the first prodigy that has reached this milestone for a long time.

Retuning runners – there were a few this week in Singapore Sling and ET as well as Wrong Way and Long Time Coming. Singapore Sling and ET said that they have been in Townsville walking the dog. Wrong Way said that he has been overseas away from the wife and Long Time Coming has been busy, something else to do. She was asked who this something else was.

Charges were then called for as below.

<b>Charges</b>	<b>Awards</b>
Chunda – charged by Chunda for missing an arrow twice. He missed it the first time on the way out and then missed the same arrow when he was on the way back again.	Big Dick – Pounda had this and awarded it to Bitter Relief. It was her first run at Pounda's but was heard saying that it was her second and not to tell Why Not. What was she insinuating?
Pounda – charged by Heart Starter. On the weekend the usual crew went for a bike ride and on the way back Pounda was so bugged at around the 80km mark, that when he passed the oval at St Benedict's school, there was a junior AFL game on and he was riding so slow that he got to watch an entire quarter of the game.	Two Dicks – Structure Fucker has these and was MIA again this week.
Chunda – charged by Pounda for forgetting to give a returning runner in Nasa a drink last week.	Grub Shirt – FIGJAM had this and gave it to Heart Starter, for being a massage therapist and not being able to fix her broken husband, causing him to now walk instead of run.
B1 – charged by Pounda for forgetting last week to bring the walking stick award he was given.	The Bone – Titus had this and gave it to Vampire for blinding a mother and baby possum by shining her torch directly in their eyes.
Why Not – charged by Pounda for not only forgetting to bring the Grub shirt two weeks ago, but then very sneakily giving it away last	The Walking Stick – B1 had this and gave it to Vampire for being unable to hold her drinks. She doesn't like drinking out of cans.

week without getting a drink for forgetting it.	
Vampire – charged by Chunda for leaving her light at last week’s run.	
Chunda – charged by Jake the Peg and given a new pair of Hash shorts for complaining that he needs a new pair of shorts.
