HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2359

Hare's – Dog and Illegally Blonde

Well it seems that the word has been passed around and the Hashers are coming back to Hash. We had a good crowd of 23 Hashers at what could well be the last run at Dog's sanctuary amongst the trees in Lawnton with the house on the market. Any of you Hashers out there that are looking to potentially purchase a house then let Dog know.

At 6.30pm, Dog called for everyone to be out the front to receive the run/walk instructions. We then had to wait another 10 minutes for FIGJAM to finish putting himself together as he missed the 10 min run call. While waiting Dog told a joke to get everyone in the mood, and eventually we were told to look for trail in chalk and that there are no hills (famous last words) and the pack was off.

The Run

The run pack consisted of 4 +1 runners (the +1 being Strong As who came late and spent the entire run trying to catch the runners). They eventually made it back after a 6.2km run that included some steps, a lot of hills and a train line.

The Walk

The rest of the crowd set off on an adventure that included a few hills, some train crossings and a walk beside the local cemetery resulting in a 5.1km walk. A few stragglers decided not to climb over the train line and made their own way back for a 4.3km walk.

The Circle

The GM called the circle to order and Smooth Ride gave the run count. There were no notable runs this week but Tail chalked up 299 runs so she will be in the middle of next week circle for sure.

The GM called for Dog and Illegally Blonde to be in the center to face the music for what could well be their last run from their current abode.

B- was asked to give a run report - He said that there was a lot of hills which weren't very fun, too many steps and he would become like his dad if he kept that up. He gave it a score of **3 out of 10**.

Floater was asked to give the walk report – He said that the interesting thing was that when Dog called us to the top of the driveway he very cunningly didn't say that there were no hills, which meant he wasn't lying, because the hills very plenty. A good bit of variety. He gave it a score of **4 out of 10**.

Jake the Peg was asked to give a security report as he was late to Hash and didn't go on the walk. He said there was nothing to report. He gave it a score of **0 out of 10**.

Total of 7 out of 30.

Retuning runners – there were a few this week in Floater, Structure Fucker, Wheelbarrow and B-.

B- said that he has had assessments on at school. Floater said he was working in Kallangur and seen as how he was so close on a Monday night he thought he might come to Hash.

Structure Fucker said he has been everywhere and Wheelbarrow said that he finally got over the Hash Golf day so he came back to Hash.

Charges were then called for as below.

Charges	Awards
Jake the Peg – charged by Pounda for racking up a run number of a metric 69er in 181 runs. Jake was also thanked for organizing the BNH3 Training Day on Saturday where everyone that attended had a good time.	Big Dick – Bitter Relief had this and awarded it to Ryvita. For trying to use her Go Card to buy a drink at one of the Brewery's.
Pounda, Dog and Titus – charged by FIGJAM for being three wise men and trying to get Titus's car down the drive way. It was an interesting exercise for all.	Two Dicks – Structure Fucker had these and awarded them to Titus for his impressive reversing skills in trying to back down the driveway.
Titus and Dog – charged by Singapore Sling for bringing the esky upstairs instead of leaving it downstairs like normal. This was reverse charged by the RA though because Singapore Sling should have been up paying his run fee instead of rushing down to the esky.	Grub Shirt – Heart Starter has this and was MIA.
Titus – charged by Jake the Peg for confusing Aussie wine for South African wine. He thought the Kangaroo looked like a Giraffe.	The Bone – Vampire has this and was MIA.
Strong As – charged by Ten Fingers for getting lost on the run. If she wasn't late to the run she might not have gotten lost.	The Walking Stick – Vampire has this and was MIA.
Bitter Relief – charged by FIGJAM for being true blonde and confusing Australian pewter for a computer.	

Chunda – charged by Bitter Relief and given a year's supply of beer coasters that she stole from all the brewery's that we visited on Saturday.	
Wheelbarrow then presented Floater with the big stick from the golf day and Why Not was presented with a name plate that will go on the trophy that he won on the golf day.	
Flower was then called out as it is her birthday on Wednesday. Happy Birthday
