HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2361

Hare – Chunda

A large crowd of absolutely no idea how many Hashers, gathered in Chunda's backyard at Kallangur for what we knew would be yet another Chunda adventure.

At 6.30pm, the GM sent everyone out the front to get the run/walk instructions so they could be set on their way. Trail is on chalk and it is on the left hand side, except when it's on the right hand side. If it's not on the left or right then you are lost.

Also be careful when you get too the pathway in the park as the trail is very slippery after the rain. One Hasher almost went ass up as he forgot about the warning about the trail being slippery (more on that one later).

Eventually everyone made it back safely.

The Run

The run pack consisted of 3 runners being FIGJAM, B1 and B-. They took off like a road runner being chased by a coyote and weren't seen again until they arrived back at Chunda's place.

The Walk

The rest of the mob set off on the walk and it wasn't long before there were two distinct groups. The elite Olympic walkers and the out for a Sunday walk group. Through the shops, past a school, through some parks, across some main roads and then back home again. The total length of the walk was 4.74km.

The Circle

The GM was on Hare duty so the RA took charge and called the circle to order and Tail in Smooth Ride's absence gave the run count. There were no notable runs this week.

The RA called for the GM to be in the center to get his just rewards for being the Hare.

FIGJAM was asked to give a run report - He said what a sensational run that was full of highlights. Arrows were well marked, not much shiggy, just enough to keep them honest and a good run. The highlights being that they ran up Fig St and they ran up Teddy Sheean's St.

For those that don't know, Edward "Teddy" Sheean VC was a sailor in the Royal Australian Navy in WWII. He was awarded the Victoria Cross medal for his actions on 1st December 1942, when his ship, HMAS Armidale was attacked by Japanese bombers and was hit by two torpedoes and a bomb and started to sink. Teddy helped to free a life raft and was then himself wounded by two bullets. He then made his way to a 20mm cannon and began to fire on the Japanese aircraft to try and protect those men already in the water. He managed to shoot down one of the Japanese bombers but was killed when his ship sank. He was awarded the Victoria Cross posthumously on 1st December 2020, on the 78th anniversary of his death.

FIGJAM gave the run a score of **1 out of 10**.

Overproof was asked to give the walk report – He said that it was a great walk through the sights of Kallangur and it was lovely just cruising around. He said they went through the slippery part and everyone stayed on their feet with no accidents, he was clearly unaware of what was to come behind him. He gave it a score of **3 out of 10**.

Illegally Blonde was asked to give a security report – She said that nobody came and no body left. She gave it a score of **10 out of 10**.

Total of 14 out of 30.

Retuning runners – there were a few this week in Pleasure Island, Sherbet, Heart Starter and Overproof.

Pleasure Island said that she didn't have a good excuse and she was busy washing her hair.

Sherbet said that she has been busy at work and at the Gympie Muster.

Heart Starter said that her and Overproof were off doing the Brisbane Valley Rail Trail and then Overproof got the man flu, so she had to stay home and look after him.

Charges were then called for as below.

Charges	Awards
Ryvita – charged by FIGJAM for spending too much time at Ikea and thinking about B1.	Big Dick – Ryvita had this and gave it to Ten Fingers for telling lies to Ryvita and saying he was busy doing JP duties. He was actually in town marching for victims of crime.
Flower – charged by Rabbi for confusing everyone by wearing a flower behind her ear and not stating whether she is Tongan or Samoan, as they wear their flowers behind different ears depending on whether they are taken or available.	Two Dicks – Dog had these and awarded them to Heart Starter as she had a few woopsie's on her bicycle.
Titus – charged by Rabbi for vandalism. He managed to break one of Chunda's outdoor chairs.	Grub Shirt – Heart Starter had this and gave it to Ryvita as when she had the big dick last week she left it out in clear view of the cleaners. They haven't been back since.
B1 – charged by FIGJAM for being a tight ass in not wanting to spend \$400 on a GPS for his car. So he took one out of Structure Fuckers	The Bone – Vampire had this and gave it to Tail for not waiting at the regroup for her and Ten Fingers.

book and went and brought himself a UBD map book for \$15	
Cheesecake – charged by Pounda for being a slack prick and not turning up to Hash last week just because his mate Chunda wasn't there.	The Walking Stick – Vampire had this and gave it to Pounda, for not listening to instructions and going for a little slip on the slippery trail and tweaking his back again.
Chunda – charged by FIGJAM for procuring some Moreton Bay Shire Council equipment.	
Ten Fingers tried to charge Raw Liver but that was very quickly reversed for being a shit charge.	
Dog was called in the middle as he had a birthday during the week.	
A few jokes were then told, however some just shouldn't be told at all.
