HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2362

Hare – Structure Fucker

A good size crowd assembled under the gazebo in the park next to the Sandgate pool on the Esplanade, trying to fight off the chill of the usual Sandgate breeze, keen to get on the run/walk to get away from the windy foreshore.

At 6.30pm, quiet was called for what one can only describe as the shortest run/walk instruction ever given. The run is off that way, see you all later was the brief.

The crowd were then off. Trail was quickly found and the race was on around the streets of Sandgate. Eventually everyone made it back safe and sound with no mishaps this week.

The Run

The run pack consisted of three runners being FIGJAM, B1 and the GM. They took off like startled gazelles heading for the cover of a tree line to escape the hungry lions, and were only seen once more during the run where they snuck up behind the walkers just before the foreshore and weren't seen again. I think from reports the run was about 5.6km.

The Walk

The rest of the crowd set off on the walk on what was a very simple route. Turn left, walk for a bit, turn left and walk for some more and then turn left again and walk some more then turn left again and walk some more. A few little hills thrown in for good measure. The total length of the walk was 4.47km.

The Circle

The GM called for quiet and Smooth Ride was asked to give the run count. There were no notable runs this week.

The GM then called for Structure Fucker to be in the middle to face the music for his crimes.

B1 was asked to give a run report - He said he was a bit disappointed that they didn't get to run up their favorite hill. There were lots of arrows and regroup. He gave the run a score of **5 out of 10**.

Sex Change was asked to give the walk report – I don't have time to repeat everything that he said as it went for almost a minute and a half, but he did say that he spent the whole walk being regaled by Tail with stories of Pythons in her shed. You Harriette's sure have a funny way of talking about your sex life. Solid and enjoyable walk. He gave it a score of **-5 out of 10**.

Heart Starter was asked to give a shorter version of a walk report – She said that is was good. She gave it a score of **.447 out of 10**.

Total of .447 out of 30.

Tail was given a badge for her 300 runs.

Retuning runners – there was only one this week being Sex Change. He said that he has been gallivanting around Europe trying to take after Smooth Ride.

Charges and Awards were then called for as below.

Charges	Awards
Cheesecake – charged by Chunda for trying to keep up with Chunda on a downhill mountain bike trail and taking a dive over his handlebars in the process. Chunda had to join him for a drink as it turns out the trail he took him on was for extremely experienced riders only.	Big Dick – Ten Fingers had this and gave it to Vampire for trying to get them lost on the walk.
FIGJAM – charged by FIGJAM for a bonus beer for challenging the RA to find someone that didn't read the trash.	Two Dicks – Heart Starter had these and awarded them to Ten Fingers for having the Grub Shirt on inside out. He was joined by Overproof because he likes to wear things backwards as well.
FIGJAM – charged by Chunda for not coming to the regroup and taking a short cut instead.	Grub Shirt – Ten Fingers had this and gave it to Sherbet for taking Ryvita to Bribie Island and making her sick.
Overproof and Heart Starter – charged by Pounda for selling their house and fucking off again on their trip.	The Bone – Tail had this and gave it to Flower for putting shit on Tail.
Rabbi, Structure Fucker and Killer were called in the middle as they all had a birthday during the week.	The Walking Stick – Pounda had this and gave it to Chunda, as he might need a bit of help to walk after Cheesecake threw him under the bus. When asked by his wife if there was any blood after the mountain bike riding. His response was "it was Chunda's fault".
A few jokes were then told by B1 but he failed when he produced jokes that were written in the 70's and Pounda ruined his punchline twice.	Sex Change then had a small award for the GM. He got him a fridge magnet that said " Ich bin ein Berliner " which is German for "I am a donut".
