HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2364

Hare – Chunda

We had a cancelation of the projected Hare this week, so a **BIG** thank you to our GM for stepping up at short notice to Hare tonight's run. We had a good crowd there this week with everyone eager to set out on another Chunda adventure.

At 6.30pm, everyone was sent out the front for the run/walk instructions. On chalk, it's on the left and it's not on the left it's on the right. See ya's all later. Off we went through the streets of Kallangur, up some hills and through some parks.

Eventually everyone made it back safe and sound.

The Run

The run pack consisted of three runners in FIGJAM, B1 and B-. There were eventually joined by Strong As who came late and Sex Change who came late but then didn't end up catching up to the runners. Unsure how far the run was as no one told me the distance.

The Walk

The rest of us set off on the walk navigating the streets of Kallangur before entering the dark pathways of the creek lined forest areas, up some more hills and then back home again. The total length of the walk was 4.61km.

The Circle

The GM called for quiet and asked Smooth Ride to give the run count, she got halfway through before she dropped her paperwork, anything after that was anyone's guess.

The GM was then told to get in the middle and be ready for his crucifixion.

FIGJAM was asked to give the run report - He said that it was reasonably well set and very well marked. He didn't mention anything about the hills or shaggy in his run instructions. He didn't mention anything actually as he said it's out there and away you go. Otherwise it wasn't a bad run. He gave the run a score of **2 out of 10**.

Jake the Peg was asked to give the walk report – he said what can he compare it to. A TV dinner, reliable, great at short notice and dependable. He gave it a score of **1.11111111 out of 10**.

Sherbet was asked to give a security report – She said that they just talked, nothing much happened and the GM wouldn't accept any help. She gave it a score of **9 out of 10**.

Total of 12.11111111 out of 30.

Returning runners this week were Singapore Sling, ET, Nokia and Robinson Crusoe. Singapore Sling and ET said they have been away walking a dog in Townsville. We thought Dog was here.

Nokia said that she was up the butt. After some oh no's and some quick investigation, it appears that she has been out at Blackbutt for a while.

Robinson Crusoe said that she has been working and renovating her house. Bloody poor excuse.

Charges and Awards were then called for as below.

| Charges | Awards |
|---|---|
| Jake the Peg and Dog – charged by FIGJAM for not waiting at the regroup for the rest of the walkers. | Big Dick – Vampire had this and awarded it to Strong As because she was running around in circles at the start of the run and still managed to catch up to the runners. |
| Smooth Ride – charged by Jake the Peg for saying she had a nice box. Jake had to join her because he shouldn't have been looking at her box. Ryvita was then made to join them for saying that the box had flaps. | Two Dicks – Illegally Blonde had these and was missing in action. |
| Strong As and Sex Change – charged by Pounda for turning up late. What time does the 6.30pm run start? | Grub Shirt – Sherbet had this and gave it to Smooth Ride for notching up the devils number in 666 for her run count. |
| Flower – charged by B1 for joining the luddite community and getting her new refidex which is already out of date as it is a 2022 print. | The Bone – Flower had this and gave it to Ten Fingers for premature evacuation of the strawberries. I lost it in translation. |
| Chunda then had a question for FIGJAM. Are you drinking white fish or black fish? He was drinking black fish as B1 managed to fluff his second driving test inside four days. B1 get in the middle you numpty. | The Walking Stick – Structure Fucker had this and gave it to B- as he had never had it before. |
