HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2367

Hare – Vampire

A good crowd of 19 brave Hashers turned up for Vampire's run at Suttons Beach at Redcliffe. I say brave because as usual Redcliffe turned on the wind and blew and absolute gale.

At 6.30pm quiet was called for to receive tonight's run and walk instructions. Runners to the left and walkers to the right, and here we are back in the middle with you again. Sorry I got a bit carried away there.

We were off to find the back streets of Redcliffe, but more importantly we were off to try and get out of the wind.

Eventually everyone made it back safe and sound, only to find 3 more Hashers that couldn't read and didn't realize that it was a 5pm run.

The Run

The runners were sent off towards the racing track and hospital before joining the walkers trail back on the foreshore, although it must have been a fair old run as they were well and truly behind the walkers.

The run distance was 6.7km

The Walk

Up some stairs for the walkers and through the back streets and some parks, before coming back out on the foreshore for a long and windy walk back home. The total length of the walk was 4.3km

The Circle

The GM called for quiet and asked Smooth Ride to give the run count. No notable runs this week. The GM then thanked everyone that helped out in some way on the camping trip. Everyone did a fantastic job and everyone enjoyed themselves.

ET was then called forward to receive her big hat for 100 runs.

The GM then threw a curve ball and handed the circle over to the RA who called for Vampire and her helper Structure Fucker in the middle to face the music.

B1 was asked to give the run report - He said that it was a brilliant run, right up until they came across the worst street in Redcliffe. Yep he had to run right past the stop sign that he accidentally blew through on his recent driving test that caused him to be not yet competent. But other than that it was a great run. He gave the run a score of **5 out of 10**.

Dog was asked to give the walk report – He thought the walk was really good, well set out, interesting but could have been a bit longer. He gave it a score of **-1.5 out of 10**.

Smooth Ride was asked to give a security report – she said there was one guy who walked back and forth about ten times, but looked a bit terrified when he seen Smooth Ride and Sherbet sitting there. She gave it a score of **1 out of 10**.

Total of 4.5 out of 30.

There was one returning runner this week in Pleasure Island. She really had no excuse other than she really couldn't come. Clearly she is not seeing the right men.

Charges and Awards were then called for as below.

Charges	Awards
B1 – charged by FIGJAM for having to relive his worst nightmare in stop signs and revisiting his favorite one in Redcliffe.	Big Dick – Pounda had this and decided to keep it for another week as no one had upset him this week.
Ryvita – charged by Tail for turning up to Hash with something stuck in her spout and having to get some male assistance to get it out.	Two Dicks – Illegally Blonde had these and gave them to Flower for denying that she anything to do with the port on Friday night, but was clearly seen with the port. Until she drank it all anyway.
Pleasure Island – charged by FIGJAM for saying to him as he ran past “RUN FORREST RUN”.	Grub Shirt – Smooth Ride had this and gave it to Flower for her exploits of Friday night at camping. Flower had such a good night she couldn't remember it.
Structure Fucker – charged by Chunda for leading the runners past not one, but two pot houses where the stench of the marijuana was unbearable.	The Bone – Ten Fingers had this and gave it to Ryvita for not seeing the can bucket for the empty bottles when it was right beside her. And she has recently had surgery on her eyes so she can see better.
	The Walking Stick – Jake the Peg had this and was MIA
