## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2368

#### **Hare – Sex Change**

An enthusiastic crowd of about 20 Hashers ventured down to Plaisted Park in Northgate to endure another Sex Change torture test. On the way there trying to work out where we had to turn of Sandgate Rd, we found ourselves turning into a street named after our very own song mistress in Flower.

At 6.30pm quiet was called for so Dog could give tonight's run and walk instructions, as the Hare was off resetting some of the run due to a little rain washing out some of the trail. Runner's and walker are on the same trail.

#### **The Run & Walk**

We were off, only to find ourselves going straight past the local bowls club without even stopping for a drink, bloody hell what's the world coming to. Through some back streets to Virginia train station, and up and over the train line and across Toombul Rd, where a few tried their best to get run over. Through some more back streets to a park and back under Toombul Rd. From here I went one way looking for the trail; I couldn't find any so I just made my own trail up and back to the bucket.

Eventually everyone made it back safe and sound with some walkers doing the full run trail.

The run was 6.57km

The walk was 5.1km

## The Circle

The GM was in hospital dying from his mishap on his bicycle on the weekend, so Pounda stepped up as GM and asked Smooth Ride to give the run count. No notable runs this week.

The acting GM then called for Sex Change to be in the middle to face the firing squad.

FIGJAM was asked to give the run report - He said that arrows were very scarce and that he would buy land off of Sex Change at any time if he thinks there was an arrow every 100m. He gave the run a score of **3 out of 10**.

Cheesecake was asked to give the walk report – He said that he could have given the run report as he was one of the walkers that did the whole run trail. Otherwise refer to FIGJAM’s report and he would say no more. He gave it a score of **3 out of 10**.

Smooth Ride was asked to give a security report – she said she was very thankful to Jake the Peg for leaving a weapon behind for her in the walking stick. She said it was very dark and there were some vicious mozzies around. She gave it a score of **0 out of 10**.

**Total of 6 out of 30.**

We had a visitor this week in Weak As Piss (Strong As’s father) from Noosa Hash. He was in transit on his way to Mekong Hash.

Charges and Awards were then called for as below.

<b>Charges</b>	<b>Awards</b>
Dog – charged by FIGJAM for not waiting at a regroup.	Big Dick – Pounda had this and returned it to Strong As for bringing her father along and not keeping him under control.
Vampire and Tail – charged by Pounda for doing their best impersonation of someone actually trying to get run over. While crossing Toombul Rd, they decided to slow down when three cars came around the corner at them and the drivers had to suddenly break. Pounda then had to apologize to the drivers on their behalf.	Two Dicks – Flower had these and gave them to Sex Change for his lack of chalk on the run/walk and his lack of fuck’s given.
Cheesecake and Hooker – charged by Jake the Peg for turning the wrong way on the trail and being idiots.	Grub Shirt – Flower had this and gave it to Tika for taking a fucking big dump in the park before the run. Dog had to take it on her behalf.
Sex Change – charged by Dog for trying too hard to get some accolades for his run. So he got a drink instead.	The Bone – Ten Fingers had this and was missing in action
B1 didn’t have a joke this week but he was saved by Jake the Peg with an absolute cracker.	The Walking Stick – Jake the Peg had this and gave it to Dog so he can use it as a tool to pick up the dog turds.

**Next Week’s run – Run No. 2369 - 23 Oct 23.**

**Hare:** Ten Fingers

**Location:** 57 McNeill Road, Kallangur

**This week’s Hash Mash:** Chicken Burgers
