HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2369

Hare – Ten Fingers

After a late afternoon shower there was a hardy bunch of 17 Hashers that turned up to Ten Fingers abode for another Ten Fingers adventure. Even the GM was there after being released from hospital after his brush with on his push bike.

At 6.30pm, everyone was sent out the front for Ten Fingers to give the run/walk instructions. Because has just rained, most of the trail has been washed out. Runners go and do your thing and walkers to follow Ten Fingers.

The Run

Three runners set off to make their own adventure. FIGJAM, B1 and Sex Change set off and were not seen again until the bucket. Strong As started off walking and then decided to run off and catch the runners, however the boys were too quick for her so she ended up just having to make her own run up.

The Walk

There were ten walkers tonight and most of us were able to keep together for most of the walk, until towards the end when the traffic lights on Anzac Ave held up the last of the walkers.

Through the back streets, up the hill and past Ryvita's house then over Anzac Ave to Murrumba Downs train station. Up over the station and then through the back paths to the back of the catholic school, out onto Bray's Rd and back over Anzac Ave to follow the walking path all the way back home again.

Eventually everyone made it back safe and sound with some walkers doing the full run trail.

The run - absolutely no idea as no one recorded it.

The walk was 5.19km

The Circle

The GM was back and called the circle to order. He then explained what had happened to him to get himself a visit to the hospital. He thanked everyone that sent him messages or visited him in hospital.

He then screwed up my routine and made it twice as hard to write a trash by getting the Hare into the middle and giving a security report first. He said that it was himself for two minutes anyway until Illegally Blonde and Smooth Ride turned back up after running out of arrows to follow. Illegally Blonde said they were back so soon because they ran all the way and were so fast. He gave it a score of **-5 out of 10**, but then changed it to a **-7 out of 10** when Illegally Blonde and Smooth Ride turned back up.

He then asked Smooth Ride to give the run count. No notable runs this week.

Sex Change was asked to give the run report - He said that after the sledging that he got at his run last week, he then asked Ten Fingers where the fuck his arrows were. He said that never less FIGJAM, B1 and himself then managed to create an excellent run anyway by making it up as they went. He gave the run a score of **-5 out of 10**.

Flower was asked to give the walk report – She said that it was interesting as we managed to find some trail and we were expertly guided from the rear from Ten Fingers. She gave it a score of **8 out of 10**.

Total of -4 out of 30.

No visitors or returnees this week.

The floor was then thrown open to Charges and Awards as below.

Charges	Awards
Strong As – charged by Sex Change for forgetting her life and leaving her phone case/wallet at Hash last week.	Big Dick – Strong As had this and gave it to Ryvita for trying to follow the rules. There are no rules in Hash.
Dog – charged by Flower for Tika taking a toilet stop only 50m from the start.	Two Dicks – Sex Change had these and gave them to Smooth Ride for telling stories about getting topless in foreign countries.
Ryvita – charged by Dog for acting like a banshee and screaming out orders for people to cross at the traffic lights.	Grub Shirt – Tika had this and Dog gave it to Chunda for falling off his bike .
Ryvita – charged by FIGJAM for admitting in the circle that she short cutted.	The Bone – Ryvita had this and awarded it to Dog for giving her a shit charge.
Pounda – charged by Jake the Peg for asking which of Ten Fingers neighbors he had to park on the grass to upset them, and then not doing it.	The Walking Stick – Dog had this and gave it to Chunda because he only broke 5 ribs, where another Hasher up at the Sunshine coast broke 6 ribs. He can also use it as he recovers from falling off his bike .
B1 didn't have a joke this week but he was saved by Jake the Peg with an absolute cracker.	
Dog and Illegally Blonde were then called into the circle as it is their last regular weekly run, as they are having a tree change and moving to Woodford.	

Next Week's run – Run No. 2370 - 30 Oct 23.
