## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2370

#### Hare – Strong As

We ventured back to North Sydney (Northgate) for the second time in 14 days for Strong As's first BNH3 run as Hare. There was a good crowd of 16 Hashers that turned up to Nicholson Place to see what Strong As could dish up to us.

At 6.30pm, quiet was called for so Strong As could give the instructions. Out to the road and turn left, runners and walkers on the same trail and we were off.

#### The Run

Three runners set off being FIGJAM, B1 and Sex Change. They set off towards Northgate train station with a couple of little detours on the way. Up and over the train station and then that's when all hell broke loose, with the runners losing trail and Sex Change ending up going his own way and had to do his own run.

#### The Walk

The walkers were off on the same trail, although taking a more direct route to Northgate train station. Up over the train line to Melton Road where we lost trail. Everyone seemed to be walking around in circles looking for trail (not this Hasher though, I stood on the corner waiting for someone to eventually yell On On). Eventually trail was found and we went south to Nundah train station, under the train line to the other side and then worked our way through the back streets until we ended up back at Nicholson Place.

The run - absolutely no idea as no one recorded it.

The walk was 4.44km

### The Circle

The GM called the circle to order and asked Smooth Ride to give the run count. No notable runs this week.

Strong as was then called to the middle to face the music.

Jake the Peg was asked to give the walk report – He said that he enjoyed the walk pounding the pavements and dodging trains and trying to find the arrows. H at times didn't believe the runners as the laid some fresh trail. He gave it a score of **1 out of 10**.

Sex Change was asked to give a run report for his version of the run - He said that he started following the arrows until there were no arrows and then that's when he went off in a different direction and ended up at Nudgee Road. That's when he thought he would cut his losses and turn back to home the same way he came out. He gave the run a score of **-10 out of 10**.

B1 was asked to give the actual run report - He said that Strong As had one fucking job, to do better than Sex Change. With that in mind she definitely did better with the halt checks, he had two and she had 26, although she did manage to match him with the arrows in that after the first train station there were no arrows for a kilometer, but we got there in the end. He gave the run a score of **1 out of 10**

**Total of -8 out of 30.**

We had one returnee this week in Titus. He has been to Europe and is back for 9 days before he fucks of again, this time to Vietnam.

The floor was then thrown open to Charges and Awards as below.

Charges	Awards
Tail – charged by Jake the Peg for saying that she doesn't have a guilty bone in her body, when Growler replied that you might find one at Noosa, to which Tail replied 'I hope so'.	Big Dick – Ryvita has this and was missing in action.
Tail, ET and Singapore Sling – charged by FIGJAM for short cutting.	Two Dicks – Smooth Ride had these and gave them to Ten Fingers for dumpster diving out on the walk.
ET – charged by B1 for signing a poem about FIGJAM.	Grub Shirt – Chunda had this and gave it to Pounda for getting angry and throwing his motorbike at his Ute.
Ten Fingers – charged by Chunda for converting a young couple out on the walk to his shuffle.	The Bone – Dog has this and it will be missing until the Xmas party.
Pounda – charged by Pounda for getting angry and throwing his motorbike at his Ute.	The Walking Stick – Chunda had this and gave it to Singapore Sling so she had a weapon with her when she walks around in the dark.
Smooth Ride – charged by FIGJAM her words of wisdom in saying that it's going to get dark tonight.	
Ten Fingers had a joke this week and Pounda regretted asking him to tell it.	

## Next Week's run – Run No. 2371 - 6 Nov 23.

**Hare:** Smooth Ride

**Location:** Hutchison Park, Friday Street, Shorncliffe

**This week's Hash Mash:** Chicken Satay and veggies with rice
