HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2371

Hare – Smooth Ride

We were off to new pastures this week in Shorncliffe with a small but enthusiastic crowd of 13 braving the threatening storms to enjoy a nice stroll around the Shorncliffe back streets and foreshore.

At 6.30pm, quiet was called for so Smooth Ride could give the instructions, however we had to wait up for late comers in Ryvita and Sherbet. Up the path, over the road and follow the trail to the water. Runners stay behind to get separate instructions.

The Run

Two runners this week being Strong As and Why Not. No idea in what direction they set off until about halfway around Strong As caught us with Why Not being no where in sight. He just couldn't keep up with the young lass.

The Walk

The walkers set off on a straight road to come out at the water just near the golf club. We made a left and headed up the hill to circle around to the other side of the Shorncliffe waterfront, up a set of new stairs and then down the hill into the back streets and across the railway line. Past the dog park and out into some more back streets until we crossed the railway line again and made our way back home.

The run - absolutely no idea as no one recorded it.

The walk was 4.52km

The Circle

The GM called the circle to order and asked Smooth Ride to give the run count. No notable runs this week.

Smooth Ride was then called to the middle to answer for her sins.

As there was only two runners tonight, they were both asked to give a combined run report. Strong As started off by saying that they followed the water where it was a bit windy and up and down some hills. Why Not then finished by saying that after that Strong As just run off and left him. They gave the run a combined score of **2 out of 10**.

Ryvita was asked to give the walk report – She said that she thought it was lovely and a great walk, and she was happy she did it. She gave it a score of **7 out of 10**.

Smooth Ride was asked to give the security report - She said that today was uneventful and all good. She gave it a score of **10 out of 10**

Sherbet was asked to give a short walk report - She said that it was windy and blowing but it was good as it was very well marked with lots of arrows. She gave it a score of **2.5 out of 10**

Total of 21.5 out of 40.

We had two returnees this week in Structure Fucker and Why Not. Why Not said he has been busy looking after his other Hash Club. Poor fucking excuse.

Structure Fucker said he had to go to Barossa Valley and drink lots of wine.

The floor was then thrown open to Charges and Awards as below.

Charges	Awards
Flower – charged by Chunda for lost property in leaving her song book at the Thirsty AGPU on Saturday night.	Big Dick – Ryvita had this and gave it to Vampire for leading her up an alley on the walk and making her walk further.
Why Not – charged by Jake the Peg for wearing headwear in the circle.	Two Dicks – Ten Fingers had these and gave them to Why Not for being away in NZ and then getting past Customs to get back in the country.
Ryvita – charged by Sherbet for going to the wrong place for Hash. Helps if you read the weekly trash or look at the website.	Grub Shirt – Pounda had this and gave it to Why Not as the smelly shirt might make him run faster and keep up with the young one in Strong As.
Jake the Peg – charged by Sherbet for false accusations and saying she was lost as well.	The Bone – Dog has this and it will be missing until the Xmas party.
Sherbet – charged by Ten Fingers for not wearing Hash attire.	The Walking Stick – Singapore Sling had this and gave it to Vampire for private parking and parking on the other side of the park all by herself.
Ten Fingers – charged by Pounda for getting a lift to Hash from Pounda and not organizing a lift for Ryvita at the same time who lives in the next street.	
Structure Fucker – charged by Jake the Peg as he has been away on a road trip to South Oz and managed to hit a kangaroo in his brand new car.	
Ten Fingers had a joke this week and Pounda regretted asking him to tell it.	

Next Week's run – Run No. 2372 - 13 Nov 23.
