## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2372

#### Hare – Sherbet

Another Monday night where we ventured to a new area where 16 hardy Hashers turned up to brave whatever Sherbet could throw at us. The first thing she threw at us were the bloody mozzies, they were about 3 inches thick at one stage.

At 6.30pm, quiet was called for so Sherbert could give the instructions, and we were glad as it meant that we could get away from the mozzies, or at least we thought anyway. Head south any you will find trail.

#### The Run

There were three runners this week being Strong As, B1 and FIGJAM. They headed off on the same trail as the walkers and we didn't see them again until almost the end, where B1 tried to sneak up behind a few of the walkers.

#### The Walk

The walkers set off chasing the runners and away from the mozzies, or at least we thought as we circled back around on the other side of the lakes and into the mozzie den down by the Creekside. We then came out at the boat ramp where we then ventured into the back streets of Bald Hills and away from the mozzies. Up and down a few more back streets until we eventually found our way back out to the start and back home

The run - absolutely no idea as no one recorded it. The walk was 4.63km

## The Circle

The GM called the circle to order and asked Smooth Ride to give the run count.

Sherbet had a notable run in 350 runs.

Sherbet was called to the middle to face the music for her crimes.

B1 was asked to give the run report – He said that it was exactly like sherbet said, not too long with not many hills and the arrows were very well placed with lots of them. He said that he didn't get lost, but Ten Fingers did so bloody good job. He gave it a score of **2 out of 10**.

Ten Fingers was asked to give the walk report – He said it was quite good, it meandered around, it went through some lane ways, we went past the freeway and chat to some locals who told them all about the criminals in the area. She gave it a score of **3 out of 10**.

Smooth Ride was asked to give the security report - She said that the main visitors we had tonight were the mozzies that were ferocious but other than that all good. She gave it a score of **10 out of 10**

**Total of 15 out of 30.**

We had three returnees this week in Pleasure Island, Heart Starter and Overproof.

Pleasure Island said she didn't come last week because it was raining. Wasn't raining at Hash, so it was a poor fucking excuse.

Heart starter and Overproof said they were at Sale Hash last week on their trip from North to South. Heart starter said something about she was being a jockey on a very frisky stallion. I tuned out after that.

The floor was then thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Ryvita – charged by Pounda for dropping her pants near the walking path for a nature break and almost blinding Pounda.	Big Dick – Vampire had this and gave it to Pounda for sneaking up behind her and Ryvita while Ryvita had her pants down taking a nature break.
Overproof – charged by Pounda for coming off his bike on Sunday and causing Cheesecake to fall off his bike as well. Causing him to put his hips out.	Two Dicks – Why Not had these and was missing in action
Ryvita and Ten Fingers – charged by FIGJAM for training before Hash. When we turned up to Hash, these pair were up at the exercise stations in the park trying to figure out how to use the exercise stations.	Grub Shirt – Why Not had this and was missing in action
Heart Starter and Overproof – charged by FIGJAM for training for Hash as well by riding their bikes from Far North Qld to Southern Victoria.	The Bone – Dog has this and it will be missing until the Xmas party.
Heart Starter – charged by FIGJAM for not being able to dress herself properly and wearing her shirt backwards while in Coffs Harbour.	The Walking Stick – Vampire had this but decided to keep it as she done herself a bit of an injury out on the walk and she might need it for the rest of the week to recover.
B1 – charged by Overproof for giving Heart Starter a heart attack by sneaking up behind her out on the run.	

Sherbet – charged by Ryvita for lost property and leaving her torch behind at last weeks run.	
B1 had a joke this week which wasn't too bad. Singapore Sling then followed up with a joke that was at Ten fingers standard.
