HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2373

Hare – Flower

Well the weather wasn't playing the game this week and it rained most of the day. That didn't stop the brave though from turning up at Flower's for what was sure to be an adventure, even if it was a wet one and although I didn't count them I would say we had roughly 15 or so hashers ready for an adventure

At 6.30pm, quiet was called for so Flower could give the instructions. She said that she spent two hours out today setting the run and that it was two hours of her life that she would never get back. She also said that she would be surprised if there was any trail left that the rain didn't wash away.

The Run

There were four runners this week being Strong As, B1, FIGJAM and Sex Change. However that quickly turned into three runners when about 150m in, Sex Change decided that it was a nice night for a walk instead. They headed off on the same trail as the walkers and seemed to catch them every time they lost the trail that the rain had washed away and then need the walkers help to find trail again.

The Walk

The walkers set off chasing the runners, through some back streets, up a few hills, along a pathway that followed the creek line and back out to Albany Creek Rd and then we headed for home. After some very wet roads and pathways, we eventually found our way back home again.

The run – I think someone said it was about 5.8km. The walk was 4.87km

The Circle

The GM called the circle to order and before he could ask Smooth Ride to give the run count, the RA interrupted and took charge of the circle for a very important charge (and a bonus beer).

B1 finally managed to pass his driving test which meant that FIGJAM no longer had to be his chauffer. FIGJAM was duly awarded a White Fish beer for his efforts and putting up with B1's learner driving for longer than expected.

Now he only has to go through it one more time when B- gets his learners.

The circle was then handed back to the GM who called for a run count from Smooth Ride.

No notable runs this week.

Flower was called forward to face the firing squad.

B1 was asked to give the run report – He said that we were told that there wasn't going to be any arrows because of the rain but it was obviously a gay hash run because we found tons of arrows. Key arrows were missing and not so key arrows were there. He gave it a score of **.58 out of 10**.

Bitter Relief was asked to give the walk report –She said she did the whole walk and it was raining the whole way and she only saw just the edge of her umbrella that she was hiding under. She gave it a score of **10.5 out of 10**.

Sherbet was asked to give the security report - She said that she went out to the car and came back and didn't see anything out of the ordinary, watched a bit of cricket. She gave it a score of **5 out of 10**

Total of 16.08 out of 30

We had three returnees this week in Rabbi and Raw Liver and Bitter Relief.

Rabbi said that he has been away but his arm was twisted and he wasn't allowed to come last week even though they were already back.

Bitter Relief said that she hasn't been to Hash as she has just been lazy.

The floor was then thrown open to Charges and Awards as below.

Charges	Awards
Pounda – charged by Chunda just for being the RA, and not praying to the big fella upstairs to keep the rain away.	Big Dick – Pounda had this and decided to keep it for another week.
Ryvita – charged by Pounda for almost falling off her chair and trying to hide it. She had to be saved by tail before hitting the ground.	Two Dicks – Why Not had these and awarded them to Flower because she was worried about the weather for her run. Now she just has to worry about the two dicks instead.
Pounda – charged by Chunda for finding the only mud patch in the yard on his way back through the gate and doing the splits and taking a chunk out of his knee.	Grub Shirt – Why Not had this and gave it to B1 for his excellent parking skills out the front of Flowers house.
Chunda – charged by Pounda for falling of his bike again at Sunday bike Hash while still recovering from fractured ribs from his last accident.	The Bone – Dog has this and it will be missing until the Xmas party.
Overproof – charged by FIGJAM for wearing the same jocks and short for 3 days in a row.	The Walking Stick – Vampire had this but forgot to bring and got a drink for her trouble.
Heart Starter – charged by Pounda for falling in front of a lawn mower and not rolling away, so it only cut of one side of her hair.
