HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2374

Hare's – Pounda & Beat-a-Root

A decent crowd gathered at Castle Pounda for what was anticipated to be the run of the year. That was the intention anyway until the heavens opened up about shortly before the run and washed out most of the trail that Pounda had worked so hard to set.

At 6.30pm, quiet was called for so Pounda could give some sort of instructions. He said that there were no hills and no shiggy (except what was already in the gutters that fell out of the sky), other than that good luck finding trail.

The Run

There were four runners this week being the usual Strong As, B1 and FIGJAM, but this time they were joined by our GM Chunda. They headed off on the same trail as the walkers and were quickly turned around by a sneaky little false trail which seemed to be one of the only bits of trail that didn't wash away. Back past the walkers again and ended up making up their own trail until they eventually gave up and headed for home.

The Walk

The walkers set off chasing the runners and looking for some remnants of trail. After not finding much trail, they all made the smart decision and headed back home again to the safety of the dry garage.

The run – It would have been 7.3km and the walk would have been 5.23km

The Circle

The GM called the circle to order and asked Smooth Ride to give the run count, no special runs tonight.

Raw Liver was then called into the middle as she is leaving us again for a little while. She is off to Kenya as her sister is getting married in a traditional Kenyan wedding. She was told to make sure she catches the bouquet.

Cheesecake was then called in as he was a returnee last week and somehow managed to get away with not having a drink. He was away for a few weeks on holidays and then the first weekend that he was back, Overproof took him out in a bike accident (or was it on purpose) so he was injured for a couple of weeks. He was also then in trouble because he brought a new bike and didn't tell The GM about it.

Pounda was then told to get in the middle to be stoned to death for his sins.

FIGJAM was asked to give the run report – He said that the RA did very well and sent all the smelly buggars (Overproof) out in the rain to have a shower, they rest of them were just collateral damage. He gave it a score of **3.5 out of 10**.

Jake the Peg was asked to give the walk report – He said he was under too much water and couldn't talk. **What kind of RA sets a trail in the rain?** He gave it a score of **-75 out of 10**.

Tail was asked to give the security report - She said that they were incapacitated from the weekend however Raw Liver put them through a vigorous Bootcamp PT session back in the garage. She gave it a score of **1.75 out of 10**

Total of -69.75 out of 30

The floor was then thrown open to Charges and Awards as below.

Charges	Awards
Pounda – charged by Pounda as he is the RA and it was definitely raining on the run.	Big Dick – Pounda had this and gave it to Cheesecake for not letting his mate know that he got a new bike.
Cheesecake – charged by FIGJAM for finally listening to his wife about not going for a ride with Chunda or Overproof. He went for a ride by himself and he didn't fall off his bike.	Two Dicks – Flower had these and awarded them to Overproof for being married to the biggest BOGAN in the world.
Jake the Peg – he had a charge for Cheesecake for putting the recycle bucket directly under where the rain was dripping into it. This was very quickly reversed though as he didn't bother moving the bucket.	Grub Shirt – B1 had this and gave it to Chunda for leaving his spare shirt at home. This was reversed though and given to FIGJAM as he told the GM that B1 hadn't put his name on the shirt. He was rudely awoken though when B1 produced the evidence that he had put his name on it.
Ryvita – charged by FIGJAM for trying to hold onto her Bay City Rollers days by wearing a Tartan headband.	The Bone – Dog has this and it will be missing until the Xmas party.
Sherbet and Overproof got a drink for their birthdays that are coming up.	The Walking Stick – Vampire had this and gave it to Flower as she had a bit of a fall last week and she can't weight load on her knee properly.
B1 tried to tell a joke of biblical Ten Fingers standard and failed.
