HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Hare's – Joint Run with Brisbane Men's Hash

A very small turn out this week for the joint run with Brisbane Men's Hash at Everton Park Hotel.

We only had five Hasher's representing BNH3 in Cheesecake, Flower, Tail, Jake the Peg and Pounda, joining in with about 30 Hashers from the Men's club.

At 6.15pm, the run instructions were given and the pack was off. From what I was able to see, I think there were only two runners with everyone else walking. We managed to find just about every bloody hill in Everton Park going through some bush land and creeks in the Raven St Reserve in the process.

The run finished in the carpark of the Everton Park Woolworths, hidden down the back behind the day care center.

It wasn't long before the circle was called for and we endured what I can only describe as a shit show, with no real structure about it at all. Maybe I just wasn't in the mood for it.

The circle was over before we knew it and then it was back up the hill to the pub carpark where most went into the pub for drinks and dinner.

Next Week's run – Run No. 2378 -18 Dec 23.
