HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Hare – Tail

With most Hasher's probably away on Xmas holidays, or the rain keeping some away, or others were just too bloody slack to make the trip to North Sydney, we still managed to get a good crowd of 15 Hashers to Tail's New Year's Day run in downtown Indooroopilly.

At 4pm, Tail sent us off out the gate to the right and take your first right and then follow trail. We were off and it didn't take long before we were spread out with the fast walkers setting a cracking pace and the slow pokes bringing up the rear.

We made our way out to Moggill Rd and then down some back streets and through a couple of parks before making our way back up the hill and on to home.

The Run

There were three runners this week being B1, Chunda and FIGJAM. I didn't even see them set off so I have no idea what they got up to or where they went. There was some reports though that a Police car may have been in hot pursuit of them, which caused one Hasher to run down a hill at a cracking pace to make his getaway.

The Walk

The walkers followed what I believe was the same trail as the runners and were quickly spread out into two different groups. I was at the back keeping Ten Fingers company along with Smooth Ride and Irish Joke. We missed an important bit of trail up some stairs and ended up doing a little shortcut, before I turned back to look for trail. Eventually everyone made it back safe and sound.

The run was 4.91km and the walk was 5.35km (as this Hasher was among a group of 4 that missed an arrow that turned up some stairs, so after walking $\frac{3}{4}$ of the way up the hill, I decided to turn back to find the trail again which added a little bit of extra distance to the walk).

The Circle

The GM got the circle underway and started by mentioning about Gympie Hash losing two of its members on Boxing Day to an unfortunate accident during inclement weather up in Gympie. We had a five second silence to remember them.

Smooth Ride was asked to give a run count and Tail was called into the middle to answer for her crimes.

FIGJAM was asked to give the run report – He said that the run was short, sharp and shiny. They were promised no hills but as Tail is an accountant, we all know they lie. It was reasonably well marked with some interesting markings and a slippery track to boot. He gave it a score of **2.5 out of 10**.

Bitter Relief was asked to give the walk report – She said that it was lovely and it was the second time she had done it in the space of a few days (trail was recycled from Thirsty Hash on Thursday). A little light sprinkle out on the run and very well marked thanks to Jake the Peg. She gave it a score of **10.5 out of 10**. Why Not needs to have a chat with her.

Beat-a-Root was asked to give the Security report - She said it was great, she said she didn't come across anything suspect (Ten Fingers was out on the walk) until Structure Fucker rolled in late. She gave it a score of **9 out of 10**. Bloody hell, I think I need to have another chat with her.

Total of 10.803781 out of 120 (and people wonder why I drink)

We had two Northside Virgins this week in Irish Joke from Brisbane Mens Hash and Posh from I don't know where.

The floor was then thrown open to Charges and Awards as below.

Charges	Awards
Jake the Peg – charged by Flower for being a blind fuck and asking Flower what sort of Hash shirt she was wearing. He either didn't look at the back of her shirt or couldn't get his eyes of Flower's backside.	Big Dick – Structure Fucker had this and gave it to Jake the Peg because he leads everyone astray.
Structure Fucker – charged by Jake the Peg for turning up late.	Two Dicks – Flower had these and gave them to Jake the Peg for being a blind fuck.
Chunda – charged by FIGJAM for running down a hill at 400km/h when the Police car went past and turned its siren on.	Grub Shirt – FIGJAM has this and gave it to Bitter Relief for whining that she didn't want it.
FIGJAM – charged by Chunda for short cutting and following Jake the Peg across a park instead of following the trail.	The Bone – Chunda had and gave it to Structure Fucker for taking the long way by train to get to Hash and then complaining because he had to carry a heavy back pack.
Jake the Peg – charged by FIGJAM for leading him astray across the park.	The Walking Stick – B1 has this and was charged as he forgot to bring it to Hash.
Ten Fingers – charged by B1 for lost property and leaving his chair at the Xmas run.	
Bitter Relief – charged by FIGJAM for rubbing her titties on young B1. And as she is a	

teacher as well, Smooth Ride was made to join her for a drink.	
Some jokes were told that maybe shouldn't have been told.
