HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Hare – Structure Fucker

It was back to the usual windy haunts of the Sandgate Waterfront for this week's Hash, where we had a good crowd of 18 Hashers turn up to endure yet another Structure Fucker adventure.

At 6.30pm, Structure Fucker said that it was on chalk and to head north. We were off with the usual runners and walkers to see what lied ahead for us. It wasn't long before we turned west and started heading up the hill towards inner Sandgate, around a few back streets and then down the stairs and back to home. Structure Fucker must have felt sorry for us this time around as it was a short run/walk.

The run was 4.87km and the walk was 3.34km

The Run

There were four runners this week being B1, Chunda, Strong As and FIGJAM. They set off at a cracking pace and weren't seen again until towards the end when they snuck up behind me just before the stairs, except for FIGJAM who plodded along at his usual pace and passed me with about 30m to the finish line.

The Walk

The walkers headed along the waterfront for a couple of blocks before heading west away from the cool breezes and into the hot and muggy back streets, before eventually coming back down the Sandgate stairs and back to home again. Eventually everyone made it back safe and sound.

The Circle

The GM got the circle underway and Smooth Ride was asked to give a run count and Structure Fucker was called into the middle to face the music.

FIGJAM was asked to give the run report – He said that Structure Fucker must have learnt from the Yanks in the Army what a hill was because he said there were no hills, he lied. Crooked SGT they called him as they found plenty of hills. Other than that it wasn't a bad run, plenty of arrows. He gave it a score of **2 out of 10**.

Vampire was asked to give the walk report – She said that she did the whole walk and it was extremely well marked and we couldn't have got lost even if we tried to (I think there was a challenge to Ten Fingers there). She gave it a score of **2 out of 10**.

There was no Security report this week as Structure Fucker was the only one to remain behind and he wasn't allowed to give his own report.

Total of 4 out of 20

We had some returnee's this week in Killer, Titus, Head Banger, Wine Wine Wine and Rabbi. The GM didn't really care where they have been and called for a song for them.

The floor was then thrown open to Charges and Awards as below.

Charges	Awards
Titus and Rabbi – charged by Pounda for wearing hats in the circle.	Big Dick – Jake the Peg had this and gave it to Pounda for being a big prick and making his wife Beat-a-Root drive him and the drinks around at Brewery Hash on Saturday. Personally I can't see anything wrong with that.
Ten Fingers – charged by Sex Change for attempting to get himself run over while crossing the road.	Two Dicks – Jake the Peg had these and was made to keep them as he was heard saying that he didn't know what to do with them.
Ryvita – charged by FIGJAM for running up a massive bill with Head Banger who is a Phycologist and talking her ears off on the walk. She might have to visit her own Phycologist after that.	Grub Shirt – Bitter Relief had this and was missing in action.
FIGJAM tried to charge Titus for the South African cricket team being bowled out for just 55 runs against the Indian's. But seen as how Titus is not South African, the GM reversed the charge back to FIGJAM.	The Bone – Structure Fucker had and gave it to Titus for his dog Echo who took one look at it and turned his nose up at it.
Chunda – charged by Jake the Peg for taking a quick leak in the toilets and then crapping himself when Jake the Peg threw a tennis ball at him.	The Walking Stick – B1 has this and gave it to FIGJAM as out on the run there was a little old lady crossing the road and FIGJAM went up to help her across the road. It was then realized that she was actually helping FIGJAM across the road.
Some jokes were told that maybe shouldn't have been told.	

Next Week's run – Run No. 2381 - 15 Jan 24.
