HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Hare – Nudgee Beach Mud Run

It was that time of the year again, where many a brave soul ventured down to the Nudgee Beach Reserve Carpark, to take on the annual challenge of completing the famous or infamous Nudgee Beach Mud Run.

The hare's were Radar, Floater and Little Squirt

There was a good turnout of 37 Hashers from Brisbane Northside H3, Brisbane Men's H3 and a few other ring ins as well.

From memory there were nine crazy Hasher's that braved the terrain and did the run through the swamps. This included our GM, FIGJAM, B1 and our very own mud run virgin in Strong As, who was tasked to carry the blowup crocodile through the trail and did it with a smile on her face.

The respective GM's of Chunda and Mu held the circle and managed to keep it under some control.

There were many charges and even a naming on the night with a Harriette by the name of Andrea receiving the Hash name of Soleless, as the shoes she was wearing lost both the soles while out on the walk.

An absolute fantastic job was done by Sherbet with her helper Heart Starter, serving up a great meal of chilli con carne and rice. There were plenty of drinks in the esky's thanks to Flower and Pounda.

Another mud run was complete with a good time had by all.

Next Week's run – Run No. 2382 - 22 Jan 24.
