HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2382

Hare – Killer

A good crowd ventured off to Everton Hills to Killer's house for another Killer marathon. We even had a visitor from Sydney this week. Dog and Tika even made a surprise return to celebrate Cheesecake's birthday, but Cheesecake couldn't be bothered to turn up (he was under strict orders from his wife after injuring his shoulder again).

At 6.30pm, Killer gave the run/walk instructions and the pack was off. As the scribe didn't go out on the trail this week I have no idea where they went or how hilly it was. The circle eventually got under way as we were waiting for Structure Fucker to arrive back as he got a bit lost. He made it back about ten minutes into the circle and was duly punished for his sins.

The run was 6.47km and that was after Chunda's Strava stopped working before the finish. No idea how far the walk was.

The Run

There were four runners this week being B1, Chunda, FIGJAM and our visitor from Sydney. They set north and I never seen them again until they returned to home.

The Walk

The walkers headed off in the same direction as the runners and managed to make it back without incident, except for Structure Fucker who decided to get value for money with his walk and spent an extra half hour out on trail.

The Circle

The GM called for quiet and asked Smooth Ride to give a run count. Killer was summoned to the center to be punished for his crimes.

101 Filiations was asked to give the run report – She said there were lots of hills, but that’s why it is called Everton Hills. Lots of ups and not enough downs and it was rather dark on the trail and a few snakes were spotted. She gave it a score of **9.69 out of 10**.

Why Not was asked to give the walk report – He said that there were a few hills and there were a few arrows, some were well marked being a good size to be seen and some were weak as piss. All in all pretty good. He gave it a score of **2.75 out of 10**.

Pounda was asked to give the security report – He said there were four of us and nothing much happened except for Smooth Ride was doing Pounda’s head in by having a conversation while cutting laps out the driveway and back into the garage for the entire time. His CDO was in overdrive. He gave it a score of **2 out of 10**.

Total of 14.44 out of 30

We had one returnee this week in Dog, who came along to celebrate Cheesecake’s birthday. Pity Cheesecake couldn’t be bothered to turn up.

We had a visitor this week from Sydney Thirsty H3. 101 Filiations was up visiting her family and decided to pay us a visit.

The floor was then thrown open to Charges and Awards as below.

| Charges | Awards |
|--|---|
| Structure Fucker – charged by Chunda for eventually making it back home after the circle had started. | Big Dick – Pounda had this and gave it to Smooth Ride for causing his CDO to go into overdrive by cutting laps in and out of the garage and down the driveway while still holding a conversation. |
| Pounda – given a bonus beer by FIGJAM for giving him a Harriette to run with who doesn’t talk. He thought it was a miracle. | Two Dicks – Jake the Peg had these and gave them to Dog. Because once again, Dog’s dog laid a log within 200m from the start of the walk. |
| Killer – charged by Structure Fucker for setting a trail where the arrows got smaller and smaller as the trail went on. It was reverse charged for whining about it. | Grub Shirt – Bitter Relief had this and awarded it to Jake the Peg for not wanting to give her a hug when she was wearing the shirt. |
| Bitter Relief and Why Not – charged by Jake the Peg for running down a hill and saying watch out for the elite athletes coming through. They then ran out of gravity and had to walk again because they were fucked. | The Bone – Titus had and was missing in action. |
| Pounda and Why Not – charged by FIGJAM for trying to imitate a terrorist, but only managed to cut themselves up with a knife. | The Walking Stick – FIGJAM had this and gave it to Structure Fucker to help him out on the walk so he won’t get lost. |
| Killer – charged by Chunda for placing more than just sticks on the trail. Chunda thought he was about to run over a stick until it slithered away. It was a 3ft brown snake. | |
