HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2383

Hare – Dog and Illegally Blonde (Aussie Day Bash)

A great turnout of 20 Hashers for the most anticipated event of the year so far. We all ventured out to Woodford for Dog and Illegally Blonde's Aussie Day Bash. With heatwave conditions of 34 degrees and 87% humidity, we waited until almost 4pm to set off on the run/walk

Dog gave the run/walk instructions and the pack was off. Up Sippel Drive, through the lane way and out onto Kropp Rd and into Woodford. From there it was a left turn and down to Neurum Rd to the footy grounds, across the footy field to pick up a bike path on the other side, up the hill and back into the local streets of the acreage estate. A quick detour through some bushland and back out to end up back at home again.

The walk was 4.77km.

As it was Aussie day there was clearly only one thing to do and it wasn't long before the bat, ball and stumps were set up and the back yard cricket match was under way. There were varying skill levels on show and it wasn't long before intimidating tactics were used, with bowlers coming of more than a three step run up and fielders placed in close to try and upset the batters.

Chunda managed to fall over several times and blamed Dog for not mowing the grass short enough, saying that his toes kept getting caught in the long grass.

Eventually bad light and rain stopped play in the cricket, so everyone headed for the cover of the patio and the circle then got underway.

The Run

There were only two runners being Strong As and FIGJAM. They set off in the hot conditions hoping that it was not a very long run as there were only two of them to conduct the checks. It obviously got to them as they both went off on the same check within the first 300m. There were seen a few more times out on the trail until they took a wrong turn at the top of a hill and went the wrong way with Chunda deciding to join them running in bare foot. They then even managed to miss the trail that went off into the bush and therefore took a shortcut back home.

The Walk

The walkers headed off in the same direction as the runners with only one walker deciding to take the first short cut that was offered and hence he never left the estate that we started in. A nice walk into town and back through the footy fields, then back into the estate and through the bush trail and back home again.

The Circle

The GM called for quiet and asked Smooth Ride to give a run count. Dog and Illegally Blonde and Jake the Peg were summoned to the center to be punished for their crimes.

Strong As was asked to give the run report – She said there were lots of hills and it was very hot but well-marked, so it was good. The question was asked though how she managed to take a wrong turn if it was well marked. She gave it a score of **3 out of 10**.

Robinson Crusoe was asked to give the walk report – She said that it was a good walk and she was very excited as it was the first walk that she has been able to do since injuring her foot. She gave it a score of **10 out of 10**.

Beat-a-Root was asked to give the security report – She said there was nothing much to report as she was ass up in the kitchen. She gave it a score of **9 out of 10**.

Total of 22 out of 30

Ten Fingers was called out to receive his badge for reaching 500 runs last week at Killers run.

We had one returnee this week in G-Spot, he said that he has been on baby-sitting duty for the grand kids on Monday nights.

We had a virgin this week. Simon who is the son of Illegally Blonde

The floor was then thrown open to Charges and Awards as below.

Charges	Awards
Coco and Tail – charged by FIGJAM for Perverting the course of justice and yelling out to G-Spot that he was putting his shirt on inside out, and therefore helping him to not get charged.	Big Dick – Smooth Ride had this and gave it to Ryvita for her excellent handling of the wood in the cricket game.
Strong As – charged by Chunda for going on a check and not turning around when she didn't find any trail.	Two Dicks – Dog had these and gave them to Ten Fingers for his efforts in the cricket game, which to Dog's surprise was better than his jokes.
Chunda and FIGJAM – charged by Pounda for short cutting the last part of the run and not going through the bush trail.	Grub Shirt – Jake the Peg had this and awarded it to Smooth Ride for to go with her fashion statement of socks with sandals.
Flower and Tail – charged by Jake the Peg for over achieving as they went and did a walk this morning as well as the Hash run today.	The Bone – Titus had and gave it to Floater. He got it via an ennie meani miney moe.

Chunda – charged by Dog for paying his actors union fees and then trying to put on a display of an Italian soccer player and tripping over while playing cricket. We might call him Tripoli.	The Walking Stick – Structure Fucker had this and was missing in action.
Dog and Tail – charged by Ten Fingers for some cryptic phone call about leaving when you have left and not knowing that you are leaving until after you have left. A bit weird if you ask me.	
Chunda – charged by FIGJAM for running barefoot because he left his shoes at home.	
G-Spot and Ryvita – charged by Pounda for not making it in time for the 4pm run.	
Dog - charged by FIGJAM for cohesion and trying to coerce him into walking on today's run. This was quickly reversed as we are pretty Sure that Figgy wouldn't jump of a cliff if Dog told him to.	
Jake the Peg – charged by Pounda for being strategically placed on the boundary to catch the big hit down the ground. The time finally came, the ball was hit high and straight down Jake's throat, he didn't even need to move and what happened. He displayed Phil Tufnell like fielding skills and dropped it cold.	

Next Week's run – Run No. 2384 - 29 Jan 24.

This week's Hash Mash: Roasts with vegies
