## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2385

#### Hare – B1

We ventured off to new pastures at Banyo for B1's first solo run as Hare, and what a fantastic job he did. We ended up with 16 Hashers who were all eager to get out on the trail.

At 6.30pm, the run instructions from B1 were given and we were off. Dodging some traffic, a dodgy dude on a push bike and a train. We then got into the quiet back streets, or at least we thought it was. We all of a sudden walked past a house where the Police were questioning the residents and then the push bike that we had to dodge back at the train crossing, pulled into the very house that the Police were at.

Further on we managed to find a brewery where we called in for a quick beer. Then it was over the train line again and back up to the main road and then a long straight walk back to home again.

A bit of a short walk this week of just 3.44km. I think FIGJAM said the run was about 5.4km.

#### The Run

There were only two runners this week being Strong As and FIGJAM. They went off on the same trail as the walkers with some extra loops along the way. Strong As managed to find a few extra loops and came in some time after FIGJAM.

#### The Walk

It wasn't long before the walkers were stretched out with some powering on like they were in an Olympic Games and some like they were out for a Sunday stroll. The best part of the walk was finding a local Brewery to grab a drink at. Eventually we all made it back safe and sound.

## The Circle

The GM called for quiet and asked the stand in Smooth Ride of Pounda to give a run count. Not a single O was mentioned in the run count as O is a letter, not a number.

Ten Fingers was called in the center to be stoned to death and the GM had to join him as he was roped into setting the run at the last minute.

Strong As was asked to give the run report – She said that the Hare set them off late which then meant that they had to wait for the train at Nudgee station. The Hare also said there were no hills, but that was a lie. Overall it was good. She gave it a score of **2 out of 10**.

Sex Change was asked to give the walk report – He said that Floater and he had a short but perfectly formed walk, (sounds like they were talking about their penis). They talked about plumbing, electrical and green tree frogs and dead hares. He gave it a score of **.2 out of 10**.

Rabi was asked to give a letterbox report – He said he had a serious complaint. He was knackered going up the first hill. He gave it a score of **.1 out of 10**.

### **Total of 2.3 out of 30**

No special runs this week.

There were two returnee's this week being Rabbi and Raw Liver.

Raw Liver was off in Kenya for her sister's wedding and Rabbi went a bit later for the alcohol and the lack of live animals in Equatorial Guinea.

The floor was then thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Why Not and Bitter Relief – charged by Pounda for turning up late to the 6.30pm run. Why Not put the address of the park in Google maps and somehow ended up in Bald Hills instead.	Big Dick – Ryvita had this and gave it to Raw Liver for staying away from Hash for too long.
Why Not – charged by Pounda for wearing a hat in the circle.	Two Dicks – Cheesecake had these and was missing in action.
B1 – charged by Jake the Peg for bringing the snacks in a ladies product box. We were then told that apparently his cat tried to eat the box. Bloody hell we have a pussy that eats box.	Grub Shirt – FIGJAM had this and awarded it to Bitter Relief for saying that she doesn't like beer.
Floater – charged by Sex Change for not wearing any Hash attire.	The Bone – Floater had this and gave it to Strong As for showing of her pink bits. She was very flushed in the face when she came running in.
Jake the Peg – charged by FIGJAM for stuffing up the runs and making B1 do his run when the train station was closed. He had to go through to Nudgee and walk back.	The Walking Stick – Ten Fingers had this and awarded it to Floater for being strapped up like Phar Lap with his dodgy knee.
Ten Fingers – charged by Why Not for walking into a brewery and refusing to have a beer. He was joined by Bitter Relief and she didn't have one either.	
Rabbi – charged by FIGJAM for complaining about walking up a hill when he could've	

walked around it.	
Strong As – charged by Pounda for over achieving and running 2km to Hash.	
B1 – charged by Pounda for having the trail go straight across the road next to the train crossing on the busiest road in Banyo.  Rabbi and Ten Fingers had to join him as they followed that trail but actually tried to get run over.	
Ten Fingers told a joke that was by his standards wasn't too bad.
