HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Hare – Strong As

It was off to new territory for Hash this week as we huddled under the covered gazebo in Jack Murry Place at Nundah. Why here you may ask? This was the closest park to the pizza shop where our Hare for tonight worked. Anyway we had 14 Hashers turn up which included a couple of visitors in Radar from Men's Hash and Skiddy from Top End Hash in Darwin.

At 6.30pm, quiet was called for so Strong As could give the run instructions. She said that it was about 5 or 6 km's, the trail was on chalk and it was on the right hand side, except when it was on the left and we were off.

The Run

There were four runners this week being the father and son duo of B1 and FIGJAM, our GM and our visitor Skiddy. They went off on the same trail as the walkers and were seen on several occasions just managing to keep in front of the elite walkers.

The run was about 6.5km

The Walk

We only had 8 walkers this week and ended up being spread out over a large distance, with two of them coming in after the circle had started. We worked our way through a lot of back streets of Nundah and eventually onto the Kedron –Brook bikeway for a short distance, before finding ourselves in the back streets again and going up every hill in Nundah before making our way back to the park again.

The walk was 5.8km

The Circle

The GM was back and got the circle underway with Pounda giving the run count. FIGJAM got a charge for not getting the run number right. No special runs this week but we have some coming up.

Strong As was called to the center to face the music.

Skiddy was asked to give the run report – She said she was going to give a run report Top End style and that was to create a four word story, with one word from each of the four runners.

Skiddy – hilly, Chunda – straight, B1 – fucked and FIGJAM - ass. So it was a straight fucked hilly ass of a run. She gave it a score of **-1 out of 10** as the one check she did she got it wrong.

Singapore Sling was asked to give the walk report – He said that the walk wasn't much different from the run. Pretty flat but a good run. He gave it a score of **2 out of 10**.

Tail was asked to give a security report – She said that it was lucky that there was security as some fat fuck kept coming past and telling Tail to clear off. He was looking for a place to have his free meal and a place to sleep. She gave it a score of **-4 out of 10**.

Total of -3 out of 30

There were two visitors/returnee's this week. Radar from Men's Hash and Skiddy, the GM from Top End Hash in Darwin.

The circle was then thrown open to Charges and Awards as below.

Charges	Awards
Ten Fingers and Radar – charged by the GM for taking so long on the walk and coming back in after the circle had started. They got a bit lost.	Big Dick – Raw Liver had this and was obviously enjoying it as she was missing in action.
Radar – charged by Pounda for wearing a hat in the circle.	Two Dicks – Cheesecake had these and was trying to work out how they could make his dickie knee better so he could turn up to Hash next week.
Titus – charged by FIGJAM for verbally abusing a homeless person and telling him to fuck off.	Grub Shirt – Singapore Sling had this and awarded it to Jake the Peg for take a leak behind a men's toilet when the toilet was open.
FIGJAM – charged by Chunda for being a front running bastard for once. He got a complementary beer.	The Bone – Strong As had this and failed to produce it, maybe she was too busy trying to set a run and cook some pizzas.
Pounda – charged by Titus for talking out of his ass on the walk and blaming it on the bullfrogs.	The Walking Stick – Floater had this and passed it to Chunda to award. He gave it to Ten Fingers to see if it would make him walk faster.
ET – charged by Jake the Peg for walking up a hill and reenacting a scene from the movie 'When Harry Met Sally'	
B1 – beat FIGJAM to the punch and charged himself. He went out on the run wearing his Doc Martin boots as he forgot his running shoes. When he got back from the run he went to the car to take his boots off and put some thongs on and found his running shoes.	

Strong As - charged by FIGJAM for having a run where there was a food van giving out free pizza's to the homeless, and then going to Pizza Hut and buying pizza's.	
Radar presented Strong as with a Nudgee Beach Mud Run shirt for her virgin mud run a few weeks ago.	
There were a no jokes this week.
