HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2388

Hare – ET & Singapore Sling

It was back to familiar turf this week, with ET & Singapore Sling haring from their usual spot at Newport (although this time without the construction fence to keep us out). As we gathered under the newly renovated cover we enjoyed the show we had watching several Hasher's come in the wrong carpark entry and then try to figure out how to get back out again, or simply just drive around the block a few times trying to figure out where Hash was. Eventually we had 15 Hashers turn up and were ready for a nice flat Hash run/walk.

At 6.30pm, quiet was called and Singapore Sling gave some run instructions that I either couldn't hear or just couldn't be bothered listening to. He said something about a 7 or 8km run and about 5.8km for the walk and we were off.

The Run

There were five runners this week being the father and son duo of B1 and FIGJAM, our GM Chunda, Strong As and Sex Change. They were sent off on the same trail as the walkers and had a few extra loops to do, until they eventually got in front of the walkers and were never seen again.

The run was 6.46km

The Walk

We only had 7 walkers this week with two of those turning back early so only 5 of us did the whole walk. We went through a few back streets before coming out at the baseball fields, up and around the Dolphins stadium, around some canals and back home again.

The walk was 4.16km

The Circle

The GM called the circle to order and asked Pounda to give the run count. FIGJAM almost got a charge for not knowing the run number, but he saved himself by saying one more than last week. Good save.

We had two returnee's this week. Cheesecake was back and so was Killer.

Cheesecake has been at home sulking for a couple of weeks about his injuries.

Killer has been away slumming it in the south Pacific by sailing from Tahiti to Auckland.

ET and Singapore Sling were summoned to the middle to be stoned for their sins.

B1 was asked to give the run report – He said that it was short, sharp, and concise, not too many hills and only one regroup when there should have been five. He gave it a point for every regroup. He gave it a score of **1 out of 10**.

Ryvita was asked to give the walk report – She said that it was a beautiful night, well-marked, familiar territory and she knew all the shortcuts. He gave it a score of **8 out of 10**.

Vampire was asked to give a security report – She said that she left everything to be guarded by the Hare's to go and get a light. It was well looked after by the Hare's so she gave it a score of **3 out of 10**.

Cheesecake was asked to give a letterbox walk – He said that he was on trail nearly all the way. Strong As said that he only did 2km. He is getting old though. He gave it a score of **1.5 out of 10**.

Total of 13.5 out of 40

The circle was then thrown open to Charges and Awards as below.

Charges	Awards
Ryvita – charged by Pounda for saying that she knew where she was going and then going the wrong way and had to be called back by Pounda and Titus.	Big Dick – Raw Liver has this and is obviously enjoying it as she was missing in action.
Ten Fingers – charged by Pounda for having one job. As the Hash Recycler you are supposed to take the empty cans and bottles away from Hash. Not bring them to Hash to make a noise in the back of the car every time we went around a corner.	Two Dicks – Cheesecake had these and gave them to Pounda for almost forgetting to pick him up and then forgetting to bring some lights even after ET had asked him last week to.
Strong As – charged by B1, or at least he tried to charge her for not using her phone to guide her to Hash, it was reversed as you are not allowed to use your phone while driving.	Grub Shirt – Jake the Peg had this and was away. Something about work and Gladstone.
FIGJAM – charged by FIGJAM for picking up the chalk on the run so the walkers wouldn't mark the trail off. The walkers never mark the trail off.	The Bone – Strong As had this and gave it to Killer for getting his license back so he could come to Hash again.
B1 – charged by Sex Change for whining out on the run.	The Walking Stick – Ten Fingers had this and gave it to Killer for getting a bit on and driving around trying to find Hash.
Vampire – charged by Sex Change for being negative with her conversation.	
Ten Fingers told his usual bad joke.
