HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Hare – To & From

With the impending rain it was looking like it was going to be a wet Hash night, however we ventured off anyway to downtown Chermside for the return of To & From and what would be an adventure and a half.

The RA did his job though and switched the rain off just in time for Hash, which resulted in 17 fine Hashers turning up, eager to get out and about and upset the residents of Chermside with the calls of On On.

At 6.30pm, quiet was called and To & From gave some run instructions that I didn't listen to as I was busy balancing the books. I think he said something about On On that way and we were off.

The Run

There were four runners this week being the father and son duo of B1 and FIGJAM, our GM Chunda and Strong As. They were sent off on a slightly different trail to the walkers with the trail meeting back up with the walkers ever now and again. I didn't see them at all though and I think they managed to find a lot more trail than they had bargained for, judging by the way the GM through his torch across the paddock after coming back in 90 mins after starting.

The run was 9.66km

The Walk

We had 12 walkers this week with all but two of completing the whole walk. We went through some back streets of Chermside before crossing Hamilton road and headed up Newman Rd to 7th Brigade Park. There we followed the pathway through the park until it lead us back to the Kedron-Wavell

Services Club and back across Hamilton Rd and then back home again.

The walk was 5.37km

The Circle

The GM called the circle to order and asked Pounda to give the run count. Cheesecake was asked what the run number was and had clearly been listening to FIGJAM by saying one more than last week.

We had one special milestone this week, with Chunda racking up 1100 runs.

We had two returnee's this week in To & From and Structure Fucker.

To & From was called to the middle to be publicly executed for his trail setting.

The GM decided to do a NT run report and each of the runners gave one word.

Chunda – FUCK

FIGJAM – BIG

Strong As - HILLY

B1 - PRICK

A FUCKING BIG HILLY PRICK - It was given a score of **-15 out of 10**.

Sex Change was asked to give the walk report – He said that there seems to be an inverse proportion between the length of time one has been a Hasher and how well you can set a walk or run. It seems that the longer you have been a Hasher that the shitter your Hare abilities are. He thought that the run may have been set on a scooter or bicycle as trying to find arrows was a challenge. He gave it a score of **-6.9 out of 10**.

Cheesecake was asked to give a short walk report – He said that it was shit with no arrows. He gave it a score of **-8.1 out of 10**.

Rabbi was asked to give a security report – He said that there was a few strange people hanging around and he defended our property. He went for a little walk around the park and found four arrows, so he gave it a score of **4 out of 10**

Total of -26 out of 40

Rabbi then gave some advice on prostate cancer and something about having 15 rods shoved up your scrotum. Get yourselves checked fellas.

Chunda was then called forward to be presented with a Yeti cooler by our Hash Elder To & From for his 1100th run.

The circle was then thrown open to Charges and Awards as below.

Charges	Awards
Strong As – charged by FIGJAM for saying she got a better offer when B1 offered her a lift to Hash. Pounda was the winner.	Big Dick – Raw Liver had this and gave it to Strong As for being so fit and coming last.
FIGJAM – charged by Chunda for having a light on his head so his brain can see where it's going but then missing the trail all together.	Two Dicks – Pounda had these and gave them to Sex Change for playing with two dicks and being so stupid in getting every check wrong.
To & From – charged by FIGJAM for spitting the dummy and throwing his paint can out the window on the trail.	Grub Shirt – Jake the Peg had this and was away again.
A late charge was given when Tail's phone went off in the circle (while she was holding it).	The Bone – Killer had this and was MIA.
	The Walking Stick – Killer had this and was MIA.
