## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2390

#### Hare – Cheesecake

Well, the rains came and the GM went down with the man flu and had to pull out from being the Hare. Up stepped Cheesecake, so with a late change of venue we were off to Kallangur Heights for a "CHEESECAKE'S NOT A PIE RUN". Twelve hardy Hashers braved the rains and came along for a shortened run/walk.

The RA did his rain dance and managed to get the rain to stop just long enough for a run/walk.

At 6.30pm, everyone was sent out the front for the run instructions. Cheesecake said that he set the run three times and the rain kept washing it away, so the runners could go and do their own thing and Cheesecake would lead the walkers on a short walk.

#### The Run

There were only three runners this week being Strong As and the father and son duo of B1 and FIGJAM. They went off for their own little adventure to see what trouble they could get up to. I don't know where they went or what they did, but they came back about 40 mins later all sweaty and happy with themselves.

The run was 4.76 km

#### The Walk

We had 8 walkers this week with Cheesecake leading them on a live Hare walk. They went out and returned after 30 mins saying that was long enough.

The walk was 2.02 km

## The Circle

The GM was away so Ten Fingers was appointed as the stand in GM for the night and the circle was called to order. Smooth Ride was back and was asked to give the run count.

We had one special milestone this week, with Vampire getting to 400 runs.

We had two returnee's this week. Jake the Peg and Smooth Ride.

Cheecake was called to the middle to be publicly executed for his trail setting or lack thereof it.

FIGJAM was asked to give the run report – He said there were more arrows than last week and the RA did his job and managed to keep the rain down to a very light drizzle to keep them cool. He gave it a score of **3.14 out of 10**.

Tail was asked to give the walk report – She said that it was fabulous and that she was the only one with a torch so she had to get them all back safely. She gave it a score of **2 out of 10**.

Pounda gave a security report – He said that he had to go and pick up the plates and when he got back it was fantastic and that he got to speak to cheesecake's wife, which was much better than speaking to Cheesecake. He gave it a score of **5 out of 10**

**Total of 10.14 out of 30**

Vampire was called forward and was presented with a badge for reaching 400 runs.

The circle was then thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Smooth Ride – charged by Pounda for getting a charge many weeks ago for leaving a mat behind at the Aussie Day run and then leaving it behind again when she got it back.	Big Dick – Strong as had this and gave it to Pounda for going for a run in his car instead by foot. one job and he forgot the plates for Hash.
Pounda – charged by FIGJAM for parting the heavens and ensuring it didn't rain out on the run.	Two Dicks – Sex Change had these and was missing in action.
Flower – charged by Jake the Peg for buying earring that nearly ripped her ear off and then turning into a necklace instead.	Grub Shirt – Jake the Peg had this and gave it to Smooth Ride for leaving her mat behind.
Ten Fingers – charged by FIGJAM for getting Tail and Flower mixed again.	The Bone – Killer had this and was MIA.
Pounda – charged by Jake the Peg for trying to walk through a glass door literally.	The Walking Stick – Killer had this and was MIA.
Tail and Smooth Ride – charged by Pounda for being on their phones in the circle.	
B1 told a joke that wasn't too bad.
