HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2391

Hare's – Pounda & Beat-a-Root

Well they came from everywhere for what was anticipated to be the run of the year, and the Hare's didn't disappoint. It was a good turn out with 19 Hasher's turning up to experience the flattest run of the year.

The RA did his rain dance and managed to get the rain to stop so that a run and walk could be set.

At 6.30pm, quiet was called for and Pounda gave the run instructions. It is on chalk with the trail on the left, except for when it is on the right. If it isn't of the left or the right then you are lost. He couldn't remember which way it was, so he said go find some trail.

The Run

There were five runners this week being Strong As, the father and son duo of B1 and FIGJAM, Chunda and Sex Change. They went off on the same trail as the walkers with a few extra loops for good measure. There was even a little bit of shiggy towards the end thrown in for good measure, which managed to get three of the runners, the other two were smart enough to go around.

The run was 6 km if you got all the checks right, a little further if you got them wrong.

The Walk

The rest of the crowd went off on the walk and chose their own adventure on how far they went, with a few of them taking some short cuts to cut off a bit of the walk.

The walk was 5.09 km

Eventually everyone made it back safe and sound.

The Circle

The GM was back and got the circle underway and asked Smooth Ride to give the run count.

We had a couple of milestones this week, with Pleasure Island getting to 50 runs and Ryvita on 350 runs.

Pounda was called to the middle to be stoned to death for his sins, and had to do it alone as Beat-a-Root was on cooking duty in the kitchen.

Sex Change was asked to give the run report – He said that structurally speaking it was one of the best runs he has been on so far. He said it was memorable watching Strong As almost get taken out by tripping over her own feet. He said the most amusing part was watching three of the Hasher's go down the hill and through the shiggy instead of going around it. He gave it a score of **-5 out of 10**.

Titus was asked to give the walk report – He said that it was a good walk and it was clearly marked. He gave it a score of **5 out of 10**.

Vampire was asked to give the short cutting walk report – She said that it was nice and flat and interesting and they managed to miss all the hoons when crossing the road. She gave it a score of **3 out of 10**.

Structure Fucker was asked to give the extra-long walk report – He said that it was bloody great. All the hills were nice and small. He gave it a score of **3 out of 10**.

Killer was asked to give the short short cutting bastards walk report – He said that he was struggling a bit as a 76 yo but he got back safely. He gave it a score of **1 out of 10**.

Rabbi gave a security report – He said that by the time he got here it was only him so it was very lonely. He gave it a score of **1 out of 10**

Total of 8 out of 60

We had one returnee's this week. Pleasure Island remembered that Hash is on a Monday night.

The GM called out Titus, Rabbi, ET and Singapore Sling for a drink as they went to NZ for Inter Hash.

The circle was then thrown open to Charges and Awards as below.

Charges	Awards
Sex Change – charged by FIGJAM for scaring a little old lady in a blue Hyundai while out on the run.	Big Dick – Pounda had this and gave it to Ryvita for jumping out of her skin when Pounda came up behind her on his bike.
FIGJAM – charged by Chunda for something about wearing a shirt that said "Official Hash Hare", but not marking off any trail.	Two Dicks – Sex Change had these and gave them to FIGJAM for giving Vampire a headache by stripping off in front of her.
Strong As – charged by Sex Change for almost taking a tumble over some rock while out on the trail. She might need some new batteries in her torch.	Grub Shirt – Smooth Ride had this and gave it to Sex Change as he will definitely be at the AGPU and therefore the shirt will be.
Titus – charged by Smooth Ride for paying his Hash run fee in 5c coins.	The Bone – Killer had this and gave it to Smooth ride as she has been away for a while and she needed something to make her feel welcome at Hash again.
Chunda – charged by FIGJAM for bring all his palms for palm Sunday to Hash. Flower had to join him as the palms were from her yard.	The Walking Stick – Killer had this and gave it to Rabbi as he needs another walking stick.
Pounda – charged by FIGJAM for trailing behind him on his scooter. It was quickly	

reversed though as Pounda wasn't on a scooter, he was on his e-bike.	
Ten Fingers – charged by Pounda for not being able to read an email properly and missing the part that was in bold, large font and underlined.	
Ten Fingers told a joke that actually wasn't too bad.
