HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2392 – A.G.P.U.

Hare – Sex Change

It was that time of the year again where we ventured off for the BNH3 AGPU. We hit the highway north up to some place called Cootharaba to Sex Change's sheep farm (this made Why Not very excited indeed). We had 22 hardy Hashers brave the weather, which made the ground nice and boggy for those that were camping.

The RA did his rain dance again and managed to get the rain to stop just in time for the run/walk to commence.

At 2pm, quiet was called for so Sex Change could give the run instructions and off we headed down the very muddy road that formed the driveway.

The Run & Walk

Everyone was on the same trail which crossed Cootharaba Road and into the scrub to work our way through most of the fire breaks in the forest. We were asked for the last person to collect all of the tape that was hanging in the trees, and that's what we did.

Then all of a sudden there was a fork in the trail with tape going both ways. Structure Fucker went left and Ten Fingers and Pounda went right. About 500m into the right side trail the tape totally disappeared. This caused Ten Fingers and Pounda to become a little lost and after a while they came out onto the wrong road a couple of kms from home.

By the time they got back close to home there was a search party sent out to find them. But eventually we made it back home and enjoyed a few beers.

The Circle

The GM got the circle underway and asked Smooth Ride to give the run count.

We had a virgin walker in Catherine who actually owned up to being Overproof's sister.

Sex Change was called to the middle to be shot by the firing squad.

Ten Fingers was asked to give the extra-long walk report – He said it was well marked until Pounda and he went right instead of left and then the trail ran out. We then had to use our tracking skills to try and find our way out of the forest, however we took a right turn when we should have gone straight and ended up coming out on the wrong road, where Pounda had to flag a car down to find out where we were. He gave it a score of **2 out of 10**.

Jake the Peg was asked to give the run report – He said that it was a bonza run, thoroughly enjoyable, however he should've taken a kayak with him. Good run. He gave it a score of **0.1065 out of 10**.

Singapore Sling was asked to give the walk report – He said that he was reminded of the old section in Canada where they did everything by miles. Through knee deep mud and they managed to keep on the trail. He gave it a score of **3 out of 10**.

Flower was asked to give the keep your feet dry walk report – She said that they stayed dry; they saw kangaroos and heard black parrots and saw birds and stuff. She gave it a score of **5 out of 10**.

Beat-a-Root was asked to give a security report – She said that it was pretty good although Killer's phone wouldn't stop ringing which disturbed her peace. She gave it a score of **2 out of 10**

Total of 12.1065 out of 50

Why Not then came out and presented the GM with a gift from his trip to Inter Hash in the NZ. It was a hip flask full of Orc Piss.

The circle was then thrown open to Charges and Awards as below.

Charges	Awards
Pounda – charged by FIGJAM for getting lost on the walk.	Big Dick – Ryvita had this and was missing in action.
Ten Fingers – charged by Pounda for not knowing how to tie his shoe laces properly. He had to do his shoe laces up at least 100 times out on the walk.	Two Dicks – FIGJAM had these and gave them to Ten Fingers for not closing the gate after coming back from the pub.
Raw Liver – charged by FIGJAM for not shutting the gate properly while trying to beat FIGJAM through the gate.	Grub Shirt – Sex Change had this and gave it to Overproof for getting himself bogged while putting his camper trailer in the camping spot.
Raw Liver – charged by Pounda for not trusting the male Hashers to take a photo with her phone.	The Bone – Smooth Ride had this and gave it to Chunda as a memory of his time as GM
Dog – charged by Pounda for taking down all of the tape on the trail and causing Pounda and Ten Fingers to get lost.	The Walking Stick – Rabbi had this and gave it to Sex Change to get his sheep in order.
Sex Change – charged by FIGJAM for having new shoes at Hash. Sex Change was getting around in his new gum boots.	
B1 – charged by Pounda for directing Why Not to park on the grass where he wasn't supposed to. Look like the pool is half dug.	
There were many more charges but too many to list down as the circle went for over an hour.	

The old committee was then ushered out with a drink and the new committee was welcomed in as below.
