HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2394

Hare's – Jake the Peg & Flower

It was Easter weekend and that means that it was a public holiday and that means that it was an earlier run hared by Jake the Peg. Tail was away so Jake the Peg had gate crashed her house in Indooroopilly, just so he could have a Hash run from there.

We ended up with 11 Hasher's this week, some came for the run, some came for the food, and others just had nothing better to do on a public holiday.

At 4.10pm, quiet was called for and Jake the Peg gave the run instructions. He said it is a different trail direction today and it was on chalk and toilet paper.

The Run

There was only one runners this being Chunda, so he had to run a few checks and false trails by himself. He said that he had a good run and coved a distance of 6.67 km.

The Walk

The rest of us set off down the hill in search of arrows but we could only find half arrows (see pics). Down to the school and out onto the boardwalk beside the Brisbane River before we then turned north into the streets of many hills.

Through some forrest water ways before crossing Moggill Rd and going down the snaking hill at the back of the school, only to then walk up a steep hill beside the freeway only to go back downhill again and through another forrest before crossing Moggill Rd again and then making our way through the back streets to go back up another hill and back home again. I'm starting to see a theme here.

The Circle

Well, one week into the new regime and the world has fallen apart as our new GM and RA were both missing. Luckily our old GM and RA were there to say the day and dutifully appointed some look a like's to stand in for the missing GM and RA. Singapore Sling was chosen as a Ten Fingers clone and Tight Arse was chosen as he looked the most like Why Not.

Jake the Peg and Flower were then called to the middle to face the firing squad.

Chunda was the only runner and was asked to give the run report – He said that it was bloody brilliant and it was a good run to do during this time of the day. He gave it a score of **-5 out of 10**.

Pounda was asked to give the walk report – He said that it started out a pretty good walk with a bit of scenery, a nice boardwalk along the river, but then it all turned to shit with the trail going up and down the steepest hills in Indooroopilly. He gave it a score of **5 out of 10**.

Total of 0 out of 20

The run was 6.67km and the walk was 5.48 km

The circle was then thrown open to Charges and Awards as below.

Charges	Awards
Jake the Peg – charged by Chunda for lost property. He left his chair at the AGPU.	Big Dick – Ryvita had this but missing in action.
Pounda – charged by Chunda for trying to find his glasses in his bag that were actually sitting on the table right in front of him.	Two Dicks – Ten Fingers had these but was missing in action.
Raw Liver and Rabbi – charged by Jake the Peg for turning up late for Hash. Rabbi read the Receding Hare Line on the website instead of the front page.	Grub Shirt – Overproof had this but was missing in action.
Jake the Peg – charged by Structure Fucker for only having half a run and making all of his arrows half arrows.	The Bone – Chunda had this and there was a bit of a story about it. He left it at the AGPU so he had to have a drink for it.
Pounda – charged by Jake the Peg for trying to steal some Indooroopilly mud. He shared it with Jake the Peg though.	The Walking Stick – Sex Change had and was missing in action.
Smooth Ride – charged by Tight Arse for not letting Rabbi and Raw Liver know it was a 4pm run. She lives in the same suburb.	
No jokes were told this week.
