HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2396

Hare – Chunda

It was a beautiful April Monday night and they came out of the woodwork for what was expected to be another fantastic Chunda adventure. We had 26 Hasher's this week, with everyone turning up as they know Chunda always puts on a good run. Or was it that they heard a rumor that Chunda had outsourced the Kai and dessert to be cooked by Beat-a-Root.

At 6.30pm, everyone was sent out the front for Chunda to give the run instructions. It is on chalk and it is that way was all I could remember, and they were off.

The Run

I believe there were possibly six runners tonight, but I didn't see who they were or which way they went. Wherever they went though they seemed to do it very quickly, because it wasn't long before the Hash Horn could be heard around the corner and then all of a sudden the runners were back.

The run was **3.47 km**.

The Walk

The rest went off on a nice easy walk with a few walkers coming back even earlier. I have no idea where they went as I didn't go on the walk due to my little argument with a yellow bollard the day before at bike Hash. Before long everyone was back safe and sound.

The walk was **2.92 km**.

The Circle

The circle was called and the GM and RA did their best effort to mess with the Hash Scribe's CDO and proceeded to run the circle like it was a bowling machine set on random. (I will try to unfuck it and put it back in some sort of order for you all to read).

Pounda was called to give the run counts with no notable runs this week other than Bitta Relief coming of age with her 18th birthday, I mean run.

We had four visitors this week – Corn Cob, Ground Sheet and Little Squirt, all from Halfway Hash and Nemo (son of Sex Change).

We had five returnee's this week – Heart Starter, Tail, Vampire, Pleasure Island, Strong As Shit and Sex Change.

Chunda was summoned to the middle to be stoned to death for his sins.

B1 was asked to give the run report – He said that not much happened and before he knew it they were back. He gave it a score of **1 out of 10**.

Bitta Relief was asked to give the walk report – It was a good walk other than they talked too much and lost the trail. She gave it a score of **10 out of 10**.

Pounda was asked to give the security report – He said it was a fantastic time, great company. He gave it a score of **-11 out of 10**.

Total of 0 out of 30

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Pounda – charged by Why Not for having an argument with a yellow bollard during bike Hash on Sunday. I will give the council kudos; they bolt those things down very well.	Big Dick – Flower had this and gave it to Pounda for having an argument with a yellow bollard.
Why Not – charged by Sex Change for leaving his farm on the Sunday after the AGPU and allowing Sex Change's sheep to feel safe again.	Two Dicks – Killer had these and forgot to bring them. He had to have a drink.
Chunda and Flower – charged by Sex Change for leaving lost property behind at Sex Change's after the AGPU.	Grub Shirt – Overproof had this but was missing in action.
Chunda – charged by Little Squirt for having his clothes line too low and causing Little Squirt to clothes line himself. This was reversed though as Little Squirt was the only one that could reach the clothes line with his head.	The Bone – Chunda has this and decided to keep it for another week.
Bitta Relief – charged by FIGJAM for something about not being able to turn a torch on.	The Walking Stick – Sex Change had this and gave it to Tail as she has a long walk back to Lightening Ridge to return a key.
Tight Arse – charged by Rabbi for kicking over the GM's hat. As he was also wearing a hat in the circle, Little Squirt had to join him for also wearing a hat in the circle.	
Bitta Relief – charged by Why Not for getting lost on the way to Hash and ending up at the golden arches of McDonalds instead.	

Tail - charged by Jake the Peg for forgetting to return the key for the toilet at Lightning Ridge and driving back to Brisbane with it.

Sex Change told a joke this week, it was on par with Ten Fingers efforts.

Next Week's run – Run No. 2397 - 22 Apr 24.
