## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

It is only 16 years since I have had to type anything but I will try with my five words per minute. A crowd of about 24 hashers ventured onto the mountainous area of Kallangur at the foothills of the Glass House mountains.

The letterbox walkers over-achieved and did a Post Office walk and were back in 30 minutes. The runners came back in about 35 minutes.

Chunder complained that the run was too short.

The beer was late arriving and the first arrivals were wasting away because there weren't any chips.

Big foot gave the run 8 out of 10. The scale had to be out of 10 said the G.M.

Chunder gave 2 dicks to Yackety Yak and said she could use both hands.

Overproof forgot the dummy and had to give it to himself.

Boxy charged Ten Fingers for not having any chips. They were brought out after the Circle.

What happened to the COVID-free individual packets.

Ten Fingers supplied pizzas which were enjoyed by all.
