HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Welcome to Hash Trash for 19th October, run number 2205, Heart Starter jammed a notebook and pen into my hands and said start the Trash. So, here it is, Cheesy was down downed as he didn't know the run number. Hares, Just Clacker and Yackety Yack were dragged into the circle to answer their accusers. Sex Change declared it a 1/100 then a 100/1 and settled on a 1/10, Fingers was enthusiastic about the run, chiding the rest of us for rushing it, he on the other hand took his time to savour the bush around Lawnton, and cheerfully declared it to be easily a 6/10.

Fig Jam was accused of being a returnee, the poor sod who suggested this unconscionable charge was drowned out by a barrage of abuse by the aforementioned Fig Jam, who demanded and got a reverse charge.

Whilst the hurley burley of charges and counter charges continued in the kindergarten, the melodious voice of Sex Change rang out, with a rendition of a Flower favourite 'take it in your hand Mrs Murphy'.

At times Sex Change might need subtitles, however his baritone carried such emotion that the kiddies shut the fuck up for a moment, and enjoyed the experience. ……………Bravo Sex Change!!
