HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2042 DATE: 28/08/2017 HARE: To & From/Galliano LOCATION: Chermside

The Russians are cumming, or at least To & From is.

A medium sized hoard of hashers turned up to Burnie Brae Park in Chermside, in anticipation of another **To & From** mega event. Or was it because **Galliano** was returning and bringing with her a band of Russian beauties. Either way the crowd was eager to get going and at 6.30pm on the dot, **To & From** summonsed the pack out from under the shelter for an explanation of the run that I think was way too detailed. Or was I just tuning out early. Anyway off we went with only a small pack of runners numbering nine. I think the walkers group is growing each week.

A 7.9km run led us around most of Chermside. There were a few regroup, checks and false trails to keep the whippets in check. We all returned safely to a bucket full of cold beverages and plenty of ice. Stand in **Hash Cash To & From** called the run count, before **GM Pounda** called the circle and summonsed the hares **To & From** and **Galliano** to face the music.

The **Run Report** as told by **Arsehole Dick Fart**:

Arsehole Dick Fart was called to give the run report and she asked the question could she be harsh, which was met with a massive hell yeah. She then said that it was too fucking long and that her hip joints were worn down to the bone. She also said that it was horrifying and that **To & From** was a terrible run setter.
Score: - ZERO/1,000,000 (She hoped that the Kai would be better and the score could go up).

The **Walk Report** as told by **Kimasutra**:

Kimasutra said that all the little chickee's followed the rooster (**To & From**) and that it was fabulous. **Flower** said that some were in front of the rooster as well. That's normally how the rooster works, he sneaks up from behind the chicks and has his way.
Score: - 7/1000

The **Security/Letterbox Walk Report** as told by **Mammary Stick**:

Mammary Stick said that there were a few suspicious characters, and that was just **Ten Fingers**. But then there was another suspicious character and that they were prepared to sacrifice **Ten Fingers** by putting him out in front to scare him away. It seemed to work too. But then **Ten Fingers** could scare anyone away.
"Little arrows that you follow, little arrows that you share...."

HASH RELIGIOUS ARTICLES

Large Appendage: This was produced by **Abbo** and awarded to the **GM Pounda** for giving orders that could not be followed. Running along a small pathway the **GM** said "quick one of you guys get in front of me as I need 3 in front of me in case there is a 3-way check". But then he kept running in the middle of the path and no one could get past him.
"Has anybody seen his cock...."

Small Appendage: This was produced by **Ned** and awarded to **To & From** for inappropriate behaviour on a grand scale. He referred to the Russian young ladies as bush, or was that borscht, as well as sexual innuendo to one of the finest, fresh young ladies at Hash and called **Mammary Stick** "Tits"
"What a wank, what a wank, what a wank, wank, wank...."

Scrubber Shirt: This was offered up by **Ryvita**, but it was very quickly noted that she did not wear it on the walk. She was then told that she could keep it for another week and that she had to wear it on the walk. She was made to come forward and have a drink for her sins.
"There was a Harriette, she was dumb and bimbo was her name"

Brush (Vagina): **Scrubber** had this and awarded it to **Flasher**. As **Flasher** normally gets a ride with home with **Boxy**, but with **Boxy** being away, **Scrubber** thought that **Flasher** could ride the brush home instead.
"He's the meanest, he sucks a horse's penis....".

Returns:

Pick Pocket – he has been away sulking because Manly keep losing in the footy.

Galliano – she has been off recruiting a hoard of Russians beauty's.

"Oh where, oh where, oh where was you last week...."

Visitors/Virgins:

Olga, Eleana and Olena (I think I got that right, hard to understand the accent). It seems that with the North Korean's launching a few missiles lately, the Russians have come out to play.

"Four and twenty virgins came on the Northside Hash...."

CHARGES:

GM Pounda charged **Ten Fingers** for wearing a hat in the circle (normally can get one each week).
“He’s stupid, he’s stupid, he’s really fucking dumb...”

Flower and **Sherbet** charged **To & From** and dually awarded him an icing as well. It appears that **To & From** doesn’t even know his own name. After last week’s joint run, **To & From** ordered a meal at the Homestead Hotel and when the waitress called out “a meal for **Allan**”, he didn’t answer. So, it was a case of **Allan, Allan**, who the fuck is **Allan**?

“They came down from Meekatharra in a burnt out blue FJ...”

Kimasutra charged **Ryvita** for being the town trike. It seems she brought a trike from the dump and is now offering free rides. **Ten Fingers** tried to add to the charge (the **GM** advised him to tread carefully) by saying that **Ryvita** looked like the Gran from the RACQ commercial on TV. This was then reverse charged (the **GM** did warn him).

“He wanks his crank in the morning...”

To & From charged **Sherbet** and awarded her the paddle that **Sherbet** gave him last week. He thought he was going to get a good paddling, but was disappointed when he got a small wooden paddle instead.

“She’s the woman who wears the hash shoes....”

There was one drink left and no one else had a charge. So, the **GM Pounda** charged **Ten Fingers**. The previous **GM Shreddar**, had a policy of when there were no more charges from the floor and there were drinks left, charge **Ten Fingers**. (Some policies are well worth staying).

“It isn’t long and it isn’t thick...”

GM Pounda then charged **Ned** for running so far ahead that he didn’t stop at a re-group when the rest of the pack waited for the **GM**.

“He oughta be publicly pissed on...”

HASH NAME:

Abbo – when he was 18yo he started to play rugby with some Fijians and in the shower afterwards was staring at the Fijians and was amazed at how big they were. He asked how this was and was told that in Fiji when they were young that they tied a rock around it to make it stretch. So, **Abbo** tried this by tying a brick around it and walked around like that all weekend. He went to training on the Tuesday night and was asked how it worked. His response was that it half worked. It had turned black.
