HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2083 DATE: 21/5/2018 HARE: Tail
LOCATION: Milton

Oh the hills are alive. Can't say the same for some Hashers after those hills.

A medium sized but enthusiastic group of hashers gathered at Milton Park in Milton for what promised to be a good run and we were not disappointed. At 6.30pm, **Tail** gave the instructions and we were off to terrorize the streets of Milton. It was nice and gentle for a little while and then the hills turned nasty and steep and terrorized us instead. Eventually everyone made it back safe and sound. **Hash Cash To & From** called the run count and then the **GM Flower** called the circle and called the hare **Tail** to the face the music.

The **Run Report** as told by **Cheesecake**:

Cheesecake said that he thought it was a pretty good run, well-marked, plenty of hills and kept the pack together.

Score: 10/10,000

The **Walk Report** as told by **Jake The Peg**:

Jake said that it was pretty good and he was even impressed that **Tail** managed to get the crossing lights to change colour just as **Cheesecake** approached it.

Score: no score was given

The **Letterbox Walk Report**: No Letterbox report Given

The **Security Report** as told by **Tail**:

Tail said that she only got accosted once but she did manage to get chatted up by a very butch looking woman.

Total score of 10/10,000

"She's the woman who wears the Hash shoes...."

HASH RELIGIOUS ARTICLES

Large Appendage: Ned still has this and was away trying to remember where he had last used it..

Small Appendage: **Amanda** had this and gave it to **Jake The Peg** because it was his birthday and he deserved another beer.

"Happy birthday to you, squashed tomatoes and spew...."

Scrubber Shirt: **Meatlover** had this and gave it to **Heart Starter** to use as a new massage uniform.

"She's a Harriette and she's alright...."

Brush (Vagina): **FIGJAM** had this and decided to give it to **Pizza** for complaining that **FIGJAM** is too pedantic for saying that you had to wear the Scrubber shirt on the run.

"He's the meanest, he sucks a horse's penis...."

Spit the Dummy Award (New or returning award): **Chunda** had this and gave it to **Sheep Thrills** for complaining about not getting his name called out in the run count.

"Has anybody seen his cock...."

Paddle (Penis Sizer): **Thunderbox** has this and is still seeing if he measures up.

Milestone Runs: - Nil

Returnees: - **Sheep Thrills** and **Jake The Peg**

Visitors/Virgins: - Nil

CHARGES:

Sheep Thrills charged **To & From** for not calling out his name during the run count even though he had paid.

"He's stupid, he's stupid...."

Pounda got a drink for not being able to stay on his bike at bike Hash on Sunday. He came off his bike in the driveway before the ride had even started. Someone had challenged him that he couldn't ride up **Dog's** driveway, and they were right as he didn't quite make it to the top before losing all momentum and then simply just fell over.

"Him, him, fuck him...."

There was one more down down left, **Ten Fingers** was not here and either was his understudy **Pizza**. So the logical choice was **Pizza's** mate **Meatlover** as a proxy.

"He stuck his head up a billy goats arse...."

Hash Name: No hash name explained this week.

You know when you get
that urge to eat
something just because
it's there?

Anyway, lost my
job as a
Gynecologist
today!

A German lorry driver in a pub in Liverpool gobbing off about how lazy the British are, he drives his load from Hamburg, goes through Holland, Belgium, over to Liverpool and back to Hamburg in two days.

The old Scouse fella mutters.....'fuck off lad, I used to pick up my load in Liverpool, drop off in Hamburg and be back in Liverpool the same day!'

The German trucker snorted and said..'oh yeah, what rig were you driving?!'

The old fella replied..... 'a fuckin LANCASTER BOMBER!'
