HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2398

Hare – Smooth Ride

It was off to Shorncliffe this week for Smooth Ride's Shorncliffe Shuffle. We had 17 Hasher's this week for what was a reasonably flat walk, apart from two slight rises that got the heart going a bit.

At 6.30pm, Smooth Ride gave the walk instructions (I say walk instructions as we had no runners tonight as Chunda didn't feel like running on his own) and we were off.

The Run

There were no runners this week. There was one but Chunda couldn't be arsed doing all the checks by himself, so he joined the walkers.

The run was **0.0 km**.

The Walk

The walkers set off towards the Shorncliffe waterfront which we then followed all the way around to Sandgate, up the long ramp and back towards the Full Moon Hotel, before going back down the hill to Friday Street and through the back streets and back to the start point at Hutchinson Park.

The walk was **4.44 km**.

The Circle

The circle was called and with the RA missing again, the GM appointed a stand-in RA in Rabbi.

Pounda was called to give the run counts with a very notable run this week with Cheesecake racking up 900 runs. Get a life Cheesecake. Structure was also given his 200 run badge after 228 runs.

We had one returnee this week – Ryvita. Apparently she has been on a big jet plane to South East Asia.

Smooth Ride was then called to the center to be punished for her crimes.

Vampire was asked to give the walk report – She said it was reasonably flat apart from a couple of inclines with plenty of arrows and was just the right length. She gave it a score of **3 out of 10**.

Little Squirt was asked to give the security report – He said it was piss quiet and nothing happened. He gave it a score of **10 out of 10**.

Total of 13 out of 20

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Little Squirt – charged by Rabbi for booing during the run count.	Big Dick – Chunda had this and decided to keep it for another week.
Little Squirt, Corn Cob and Tight Arse – charged by Pounda for wearing hats in the circle.	Two Dicks – Chunda had these and gave them to Jake the Peg for placing pegs all over Chunda’s back yard.
Pounda – charged by Rabbi for wasting the Hashers time.	Grub Shirt – Flower had this and decided to keep it for another week.
Structure Fucker – charged by Ten Fingers for riding his trusty old push bike to Hash. It’s more reliable than his car.	The Bone – Chunda had this and decided to give it to me because apparently I’m a bonehead.
Chunda – charged by Pounda for having a big 60th birthday this week. Vampire had to join him as she is turning 21 the day before Chunda’s 60 th .	The Walking Stick – Cheesecake had this and gave it to Ten Fingers to aid him in walking as he had trouble keeping his pants up.
Smooth Ride – charged by Ten Fingers for getting sucked in and asking as soon as we turned up if we brought the lights or not.	
Tail and Rabbi – charged by Jake the Peg. Tail for saying that she doesn’t drink during the day or during the week, then getting shit faced on Thursday. Rabbi for buying a pot of ginger beer and then complaining about the \$9.60 charge.	
Tail - charged by Rabbi for animal cruelty by stepping on a cricket. She don’t like cricket.	
Flower – charged by Jake the Peg. Something about licking her arm pit.	Pounda told a joke that was actually very good.
