HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2399

Hare – Jake the Peg with Tail and Flower as the official poisoners

It was off to new ground this week where we all turned up to “Row Row Row Your Boat” park behind the library at Everton Park. Jake the Peg was house sitting just around the corner and couldn't be arsed in going too far away from his temporary abode. As it was a public holiday, it was an early run at 4pm, which was just as well as some turned up half cut after spending the day at a Labour Day Rally function on the grog. We had 17 Hasher's this week for a venture up and down the hills of Everton Park.

At 4pm, Jake the Peg gave the run/walk instructions, I had no idea what he said as I was busy dealing with important matters.

The Run

There were three runners this week. Chunda and the Jam's and I didn't even see what direction that they had gone off in. I did see them out on the trail once though, where Chunda conned me and Structure Fucker into doing a long loop around a trail that didn't exist. Lucky we knew where we were though. They must have beaten everyone home though, because Chunda came back out running the trail in reverse to look for me to get the car keys as the beer was locked in my car.

The run was **6.3 km**.

The Walk

The walkers set off through the shopping center and out onto Stafford Road and through the back streets of Everton Park, where Jake the Peg managed to find almost every hill in Everton Park. We eventually found our way back home for a nice leisurely walk.

The walk was **5.35 km**.

The Circle

The circle was called and with the RA missing again, the GM appointed a stand-in RA in Little Squirt. Pounda was called to give the run counts with no notable runs this week.

We had two returnees this week – Wrong Way and Long Time Cumming. He was having a god time with long Time Cumming.

We had a virgin this week being Chunda's mum who came up for the OLD FELLA's birthday.

Smooth Ride was then called to the center to be punished for her crimes.

B1 was asked to give the run report – He said it was absolutely brilliant. They went up and they went down and with the amount of chalk they had they lost the trail. He gave it a score of **1 out of 10**.

Smooth Ride was asked to give the walk report – She said it was wonderful, great company and reasonably well marked. She gave it a score of **5 out of 10**.

Rabbi was asked to give the short walk report – He said it was very good, he went out on chalk but didn't come back on chalk. He gave it a score of **10 out of 10**.

Chunda's mum was asked to give the security report – She said it was very good, nobody came.

Total of 16 out of 30

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Jake the Peg – charged by Raw Liver for saying the run was in Everton Park. It felt like Everton Hills.	Big Dick – Chunda had this and gave it to B1 complete with zip ties. The payback continues.
Smooth Ride and Structure Fucker – charged by Tail for going to the wrong car park for the run.	Two Dicks – Jake the Peg had these and gave them to B1 for borrowing his shoes after he forgot his own.
Groundsheet – charged by Jake the Peg for impersonating a bean bag by wearing a bean bag.	Grub Shirt – Flower had this and decided to keep it for another week.
B1 – charged by Pounda for forgetting his running shoes.	The Bone – Pounda had this and decided to give it to FIGJAM because as his name suggests he reckons he is fucking good. He has had his licence for longer than Pounda has been alive and it took B1 four attempts to pass his driving test after FIGJAM taught him how to drive. Pounda's son got his licence on the second attempt.
Corn Cob, Groundsheet and Little Squirt – charged by FIGJAM for turning up wearing their Labour supporter gear to Hash.	The Walking Stick – Ten Fingers had this and gave it to Wrong Way as he hasn't been to Hash for a while so he is out of practice with his walking.
Raw Liver – charged by Ten Fingers for impersonating a lollipop lady and stopping the traffic for the GM to cross the road safely.	
Little Squirt - charged by Pounda for wearing a hat in the circle again.	
Little Squirt - charged by FIGJAM for forgetting his name and calling Flower Tail.	

Next Week's run – Run No. 2400 - 13 May 24
