## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2400

#### Hare's – B1 & FIGJAM

It was a chilly Monday night and the brave and clearly stupid gathered at the Jam's hideaway for the BNH3 2400<sup>th</sup> run. There was 20 Hashers tonight and not one runner among us. Well there was but they were either too bugged from a big day at work or couldn't be bothered to run.

At 6.30pm, B1 gave the run/walk instructions, as there were no runners tonight he said we would be on the walkers trail.

#### The Run

There were no runners or at least no participants anyway.

The run was **0 km**.

#### The Walk

The walkers set off working our way around the streets of rural Burpengary, through some back trails next to a creek and back up a slippery concrete drain, out on to the main road, back through some more back streets and back home again.

The walk was **3.3 km**.

#### The Circle

The circle was called and with the GM and RA missing, our former GM delegated the jobs to Dog as GM and Jake the Peg as RA.

Pounda was eventually called to give the run counts with no notable runs this week.

We had two returnees this week – Dog and Tika made a surprise visit.

We also had two visitors this week being Please Explain and Soggy who were from Gold Coast Hash but have now moved to Bribie Island so we may see them some more.

B1 and FIGJAM were called to the center to face the firing squad.

Please Explain was asked to give the walk report – She said it was short and sweet. There was no score given

**Total of ? out of ?**

Ground Sheet, Little Squirt, Wrong Way and Long Time Coming were then called in for a drink as they are now financial members of BNH3.

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Soggy – charged by Pounda for saying to the Hare that he and Tight Arse were the last ones. They weren't as Pounda and Structure Fucker were further back being Tail End Charlie's.	Big Dick – B1 had this and gave it to Little Squirt for trying to send everyone on the run instead of the walk. He is a BIG PRICK.
B1 – charged by Little Squirt for not sending the walkers on the runners trail to get them wet. It was reversed though for something that I couldn't decipher.	Two Dicks – B1 had these and decided to keep them for another week.
Pounda and Structure Fucker – charged by Jake the Peg for keeping panel beaters employed.	Grub Shirt – Flower had this and gave it to Tail for forgetting the plates last week.
	The Bone – FIGJAM had this and decided to give it to Pounda for apparently teaching B1 how to crash into gates.
	The Walking Stick – Wrong Way and decided to keep it for another week.
