## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2401

#### Hare's – Rabbi & Raw Liver

It was another chilly Monday night and there must have been a promise of something exciting as they came from everywhere for Rabbi and Raw Liver's Sandgate Saunter. There were 23 Hashers tonight and this week we even had some runners back.

At 6.30pm, after it was determined that there were no vegans or vegetarians in the group for catering purposes, Rabbi gave the run/walk instructions. He said it was on chalk and the run and walk were set in a car so have fun. He didn't actually say that, but it sounded good.

#### The Run

There were four runners this week being the Jams, Strong As Shit and Little Squirt. They headed off on the same trail to start with as the walkers, but then we lost them and we never seen them again until we got back to the bucket.

The run was **5.61 km**.

#### The Walk

The walkers set off after the runners, around the bowls club and down the pathway beside Dowse Lagoon, back up over Brighton Road and down another pathway to Griffith Street, where we were then sent up the Sandgate stairs from hell. (the council should be shot for these stairs, who puts a bloody hand rail down at ankle height)?

From there it was up Deagon street, left at the round-about and up the hill, through some back streets to come out at Hoskins Street, back along past the bowls club and back home again.

The walk was **3.75 km**.

## The Circle

The circle was called and the GM was back, but the RA was still missing so a stand in was sought with Strong As Shit getting the job for the night.

Pounda was asked to give the run counts with a special run this week with Raw Liver racking up a century of runs and was presented with a hat for her troubles. That's **100** runs for the dummy's out there.

We had four returnees this week – Heart Starter, Overproof, Killer and Strong As Shit all making a return.

No visitors and no virgins this week.

Rabbi and Raw Liver were called to the center to be punished for their crimes.

FIGJAM was asked to give a run report - He said that it wasn't bad, fairly flat with plenty of markings. It wasn't too bad actually. He gave it a score of **3 out of 10**

Tight Arse was asked to give the walk report – He said it was flat with a few little hills but he couldn't think of anything memorable. He gave it a score of **1 out of 10**

Corn Cob was asked to give a security report – He said there was nothing to report. It was pretty boring and nothing happened apart from a couple of dogs walked through, but that was it. He gave it a score of **2 out of 10**

**Total of 6 out of 30**

Corn Cob was called in for a drink as he is now a financial member of BNH3.

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Raw Liver – charged by FIGJAM for only setting a short run and then trying to add some trail in while the runners were out on trail. She was sprung in the act.	Big Dick – Little Squirt had this and gave it to B1 (complete with an extra bit attached) for ratting him out to FIGJAM for hiding a beer can in the rafters of the 12ft high roof in the shed. Only Little Squirt could reach the roof.
Rabbi – charged by Jake the Peg for having to drive all the way over with the plates, only to be told once he got there, that the plates weren't needed tonight.	Two Dicks – B1 had these and gave them to Pounda for teaching his boys in the Army how to crash into a servo.
Pounda – charged by FIGJAM for training his Army guys how to take out a service station with a truck.	Grub Shirt – Tail had this and gave it to Tight Arse for dropping his torch and just because he is Tight Arse.
Heart Starter and Vampire – charged by Ryvita for trying to do another lap on tonight's walk when they followed the out trail beside bowls club and had to be called back.	The Bone – Pounda had this and gave it to Heart Starter for bending over in front of him on the walk and almost copping a bone up the bum.
Tight Arse – charged by Pounda for Hash torch abuse.	The Walking Stick – Wrong Way had this and gave it to Jake the Peg for making him feel home sick by wearing a Philippines Hash Shirt.
Heart Starter - charged by FIGJAM for forgetting last Monday that it was Monday and forgetting to come to Hash on Monday.	
Jake the Peg was called out for a birthday this Tuesday.	
B1 and Little Squirt told a joke each which maybe they shouldn't have had. They had to be rescued by Pounda with a cracker of a joke.
