HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2403

Hare's – Pounda & Beat-a-Root

They rolled up in force to the sleepy hollow that is Lawnton for this week's run, as it was billed to be the best run of the year. Or did they roll up for Beat-a-Root's cooking. Well they didn't get either, as Pounda has the man flu and was lucky to set a run at all, and Beat-a-Root was injured so had to out-source some help in the kitchen with Heart Starter coming to the rescue.

At 6.30pm, Pounda gave the run/walk instructions. He said it was on chalk and the trail was on the right, except for when it was on the left, and if it was in the middle then you were probably lost.

The Run

There were four runners this week being the Jams, Strong As Shit and Raw Liver joining the party. They headed off on the same trail to start with as the walkers, but were then sent across the bridge that was no more. They were made to cross a bridge that was washed away in the last floods, so they had to get their feet wet to cross the creek instead. Up beside the golf course and then back around through the back streets of Lawnton and back home again.

The run was **5.9 km**.

The Walk

The walkers set off after the runners, and were sent on the long loop of the new Lawnton pathway beside One Mile Creek, then right onto the old Lawnton pathway between the creek and the houses, back out onto Young's Crossing Road and up to Francis road where they turned left and headed for home.

The walk was **4.8 km**.

The Circle

The circle was called and the both the GM and RA were away again, so stand-ins were sought with Raw Liver taking over as GM and Vampire scoring the RA's job.

Pounda was asked to give the run count with a special run this week with Overproof scoring a double ton. That's 200 runs for those non-cricket Hashers out there. He was given a 200 run badge for his sins.

We had one returnee this week – Cheesecake. He said that he has been off getting put back together. He didn't look like Humpty Dumpty but certainly felt like it.

Tail and Pounda were called into the middle as they were both turning 21 this week. Tail is on Tuesday and Pounda is on Thursday.

Pounda was then called to take one for the team as Hare, as Beat-a-Root was in the kitchen.

Strong As Shit was asked to give a run report - She said that it was long but not too long, not too dark and not too hilly so that was good, and the water crossing was at the start so they weren't too cold by the time they got back. She gave it a score of **6 out of 10**

Flower was asked to give the walk report – She said that she recorded it on Strava and it started at one end and finished at the other. It was a flat walk and a little dark in places but they found plenty of arrows. She gave it a score of **9 out of 10**

Little Squirt was asked to give a security report – He said it wasn't too bad, they had a few chatterbox's and a few injuries, it was very cold with no fire pit. He gave it a score of **-10 out of 10**

Vampire was asked to give the short cutters walk report – She said that they cut a little bit off the walk and still did 3.2kms. It was a very nice walk on dry land. She gave it a score of **3 out of 10**

Total of 8 out of 40

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Pounda – charged by Jake the Peg for having a two way check where one of the ways went straight to a yellow bollard. Jake the Peg thought that it couldn't be this way as Pounda would be staying clear of yellow bollards now.	Big Dick – Tight Arse had this and was missing in action.
B1 – charged by Pounda for running up to him to pay for this week's Hash with a hand full of coins, then running back to the car to get more coins but only coming back with 5 cents, so had to pay the rest being \$6.95 by card.	Two Dicks – Pounda had these and gave them to Cheesecake as he had shoulder surgery and now only has use of one arm. Pounda thought it would be interesting for him to try and play with two dicks with only one arm.
Corn Cob and Ground Sheet – charged by FIGJAM for being all lovey dovey a few weeks ago at Hash, but now they are fighting with one another. Corn Cob turned up in QLD gear and Ground Sheet turned up in NSW gear. And that's how the fight started.	Grub Shirt – Little Squirt had this and was made to keep it as he didn't go on the walk and he didn't even wear it during the security watch.
Corn Cob, Ground Sheet and Little Squirt – charged by Jake the Peg for walking to Hash tonight and then not going on the actual walk. Jake the Peg then had to get in the middle as Corn Cob did go on the walk.	The Bone – Smooth Ride had this and gave it to Structure Fucker as he still hasn't got his car back from the repairers. So maybe he can start to build his very own Fred Flintstones car one bone at a time.
Ground Sheet and Little Squirt – charged by Pounda. Little Squirt for trying to imitate a bollard and failing, and Ground Sheet for backing into said bollard and injuring him.	The Walking Stick – Jake the Peg had and gave it to B1 for running up behind him on the walk and scaring the shit out of him.

FIGJAM – charged by Rabbi for not singing the correct song for a Harriette and singing the male version instead. One job FIGJAM.	
Rabbi – charged by Little Squirt for wearing a hat in the circle.	
Heart Starter – given a bonus beer by Pounda for helping out Beat-a-Root in the kitchen.
