## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2406

#### **Hare – Vampire with her hired help Structure Fucker**

It was Monday night again and we ventured off for Vampire's run at Redcliffe, where the weather hasn't been kind to us on previous visits. But this time our illustrious RA did his job and turned both the rain and wind off and gave us a full moon as well. Hallelujah for the RA.

What looked like was going to be a small crowd grew and grew until we ended up with 18 Hashers ready to take on the sights of downtown Redcliffe.

At 6.30pm, quiet was called for so Vampire could tell us that she had no idea where the trail was because she didn't set it. She had out sourced some hired help and sweet talked Structure Fucker to travel across the mighty Hornibrook Bridge to set the run and walk for her. He said it was set on waterproof gyprock and it was on up the stairs and we were off.

#### The Run

It seems that we need to recruit some more young Hashers that are willing to run. We only had one runner this week being Chunda, and as there was only himself, he said stuff it, and walked instead.

The run was **0.00 km**.

#### The Walk

The rest of us set off on the walk, up the stairs, through the back streets, out to the back of the Redcliffe racing club where we then turned right and found our way around the back of the Redcliffe hospital, then past the showgrounds and over near the RSL before coming out onto the foreshore, where we followed it back home again.

The walk was **5.15 km**.

## The Circle

The circle was called and for the 3<sup>rd</sup> week in a row we had both the GM and RA present.

Pounda was asked to give the run count with no special runs this week.

We had a few returnee's this week in Sherbet, Little Squirt, Rabbi and Raw Liver.

Vampire and Structure Fucker were then called to the middle to be punished for their crimes.

There was no run report this week. Structure Fucker gave his own report with a score of **2 out of 10**.

Chunda was asked to give the walk report – He said it was long, pretty well marked and looked like a map of Australia. He was even impressed with the arrows that also had writing on them for Ten Finger's benefit. He gave it a score of **-1 out of 10**

Ground Sheet was asked to give a security report – She said that it was lovely and they got to see the moon rising, no wind and no trouble with the locals. She gave it a score of **8 out of 10**

**Total of 9 out of 30**

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Raw Liver and Rabbi – giving a fuck off drink by the RA. Raw Liver is off for two months and Rabbi is off for a month.	Big Dick – Tight Arse had this and was missing in action.
Flower – charged by Why Not for looking very dusty on Saturday at Toogoolawah after a big night on the wine.	Two Dicks – Ten Fingers had these and gave them to Ryvita for almost going to Sandgate instead of Redcliffe.
Sherbet – charged by Pounda for becoming a paid up member of BNH3.	Grub Shirt – Little Squirt had this and gave it to Why Not. He had no idea who to give it to, so he turned around in a circle and hit Why Not with it.
GM lookalike Chunda and Raw Liver – charged by Bitta Relief for taking so long on the walk that Bitta Relief beat them (Gm and Raw Liver) home after staring 15 mins late.	The Bone – Tight Arse had this and was missing in action.
All the hat/beanie wearers – charged by Little Squirt for wearing headwear in the circle.	The Walking Stick – B1 had this and was missing in action.
Chunda – charged by Pounda for going back to the car to get his bag out, but it was already out on the ground.
