## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2407

#### Hare – Tail with her helper Jake the Peg

It was a cold and wet Monday night as the sky opened up with some untimely rain. This didn't deter the brave though with 20 Hashers making the trip to Grinstead Park at Enoggera for Tail's run with her assistant Jake the Peg.

At 6.30pm, quiet was called for with Jake the Peg telling us that he did set trail, but as the rain had probably washed most of it away he was going to lead a live Hare walk instead. The runners could do their own thing and try to find trail if they dared.

#### The Run

There were three runners this week being the FIGJAM, B1 and Strong As Shit. They went off and found some trail off towards some shopping center, got a little wet out on the run and still managed to return in one piece.

The run was **4.9732 km**.

#### The Walk

The bulk of us set off on the walk, down through the park and along the drain way, over a very skinny bridge and then linked up with the pathway that led us to Everton Park. Over South Pine Road and through a unit complex and back onto the pathway, then under the road next to the Kedron Brook and over the bridge and then through the back streets and back to the park and home again.

The walk was **4.24 km**.

## The Circle

The circle was called and for the 4<sup>th</sup> week in a row we had both the GM and RA present.

Pounda was asked to give the run count with no special runs this week.

We had a one returnee this week in Sex Change who has been tripping all over Europe.

We had a visitor this week in Pig Dog from Adelaide who is a friend of Tail's.

Tail and Jake the Peg were then called to the middle to face the music for their misgivings.

Strong As Shit was asked to give the run report – She said it was very wet, they went around the big shopping center and managed to see about 15 arrows and managed to stay on the trail. She gave it a score of **6 out of 10**

Bitta Relief was asked to give the walk report – She said it was wet and that we still managed to see a lot of arrows. She said that she would give it a score equals to the amount of pee's that Jake the Peg did out on the walk. She gave it a score of **2 out of 10**

Little Squirt was asked to give a security report – He said that they were told a fable about some lost keys while water crept into the shelter. He did a couple of chin ups and it was very uneventful. He gave it a score of **-5 out of 10**

### **Total of 3 out of 30**

The circle was thrown open to Charges and Awards as below.

<b>Charges</b>	<b>Awards</b>
Why Not – charged by himself for not doing his job as RA and controlling the rain.	Big Dick – Tight Arse has this and was missing in action.
Smooth Ride – charged by FIGJAM for being Captain Obvious and saying that her jacket was wet when it was returned. Must have been the rain.	Two Dicks – Ryvita has these and was missing in action.
Pounda – charged by Chunda for setting of on the walk only to come straight back because he forgot his torch, only to find it gone and then accusing someone of pinching it. A bit further out on the walk, Pounda reached into his pocket and found his torch.	Grub Shirt – Why Not has this and decided to keep it for another week.
Long Time Cumming & Wrong Way – charged by Jake the Peg for living up to their names and being late for the run. What time does the 6.30pm run start?	The Bone – Tight Arse has this and was missing in action.
B1 – charged by Little Squirt for calling Chunda Pounda.	The Walking Stick – B1 had this and gave it to Why Not for being a bit broken from the bike ride on Sunday.
Pounda & Smooth Ride – charged by himself for doing a 20km walk on Saturday for suicide prevention and awareness for veterans.	Flower – charged by Bitta Relief for putting the cats piss esky straight under where the rain was dripping off the roof.
Pig Dog – charged by Jake the Peg for going to the pub for a session and drinking 0% beer.	Flower – charged by Why Not for showing everyone her big flap. She tried to take her arm off on a tree branch resulting in a big flap of skin.
Why Not – charged by Bitta Relief for going over to her house for a home cooked dinner and then falling asleep before dinner.	FIGJAM was called out for his birthday this weekend. The BIG 70
