HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2408

Hare – Strong As Shit

The rain came in and hung around most of the day, threatening to derailed tonight's run set by Strong As Shit. But this didn't deter the hardy as they came out of the woodwork to attend Hash in their dozens, well at least 27 Hashers anyway, with FIGJAM bringing most of them. The RA did his magic rain dance and managed to get the rain to stop just in time for Hash.

At 6.30pm, Strong As Shit climbed up on a chair to get everyone's attention and said that she did set a run but the rain probably washed most of it away. And with that we were off to see just what trail we could find.

The Run

There were plenty of runners tonight with FIGJAM's brood, I think I counted 8 of them heading off into the distance, only to get lost on trail and having to come back to the walkers to find some. This seemed to be the theme for most of the night as they were seen constantly running around in circles trying to find some remnants of chalk arrows on the ground to follow. They managed to find some and still completed a good distance before finding their way home again. - **The run was 5.94 km.**

The Walk

The rest of us set off on the walk chasing the runners before we caught them again, or was that because they lost trail and ran back to the walkers to find some trail. Off down the road and then left over the railway, over Northgate Road, through the backstreets of Virginia commercial precinct to Bindha train station, through more back streets and winding our way back to Virginia train station and back home again. - **The walk was 4.67 km.**

The Circle

The GM was away this week so Chunda resumed where he left off at the AGPU to take the helm again. The circle was called and then held up for a couple of minutes while Bitta Relief went about disrupting the circle while getting herself a wine.

Pounda was asked to give the run count with no special runs this week.

We had a three returnee's this week being ET, Singapore Sling and Jam Tart (daughter of FIGJAM).

We had plenty of visitors this week in Sling Shot (son of ET and Singapore Sling), Just Liz (fiancée of Sling Shot), Brown Eye (friend of FIGJAM's from Port Moresby/NZ) and Maddi, Zara and Charlie (FIGJAM's granddaughters).

Strong As Shit was called to the center to be punished for her crimes.

Multiple Hashers were asked to add value to the run report – Brown Eye said she was pretty sure that trail was supposed to be marked. Maddi said that she had never run before but she was sure that they were not supposed to get lost. Just Liz said that she had a lovely time and she kept getting lost in the shadows. A score of **-5 out of 10**

Jake the Peg was asked to give the walk report – He said that we enjoyed doing the whole runners trail. Thank you very much. He gave it a score of **-30 out of 10**

Corn Cob was asked to give a security report – He said that it was good and the trains kept tooting. He gave it a score of **10 out of 10**

Total of -25 out of 30

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Rabbi, Little Squirt and FIGJAM – charged by the RA for wearing hats in the circle.	Big Dick – Tight Arse has this and was missing in action.
Pounda – charged by Strong As Shit for letting his CDO slip and writing the address for the run as Gympie Road instead of Gympie Street.	Two Dicks – Ryvita has these and was missing in action.
Sling Shot and Just Liz – charged by FIGJAM for sex on the run.	Grub Shirt – Why Not had this and gave it to Strong As Shit for some reason that was lost in translation.
Little Squirt – charged by Chunda for his unique running style and for whining a lot.	The Bone – Tight Arse has this and was missing in action.
Chunda – charged by FIGJAM for having a few beers on Saturday night and then spilling some on his jeans. He went off to get changed and then fell over into his swag and couldn't get back up again. That's where he stayed.	The Walking Stick – Why Not had this and gave it to FIGJAM as he came running past us on the walk like an elite athlete, only to slow down and start walking another 20m up the road.
Tail – charged by FIGJAM for spilling her wine over Brown Eye's brand new white shoes on Saturday night.	
Bitta Relief – charged by B1 for saying that she wanted to fuck the GM, or did she say fuck the GM.	Just Liz was named by the RA and she will now forever be known as Hiding In The Shadows , which funnily enough is an anagram of SHIT .
Chunda – charged by Pounda for the late night drunk phone call on Friday night. He was in fine form.	
Smooth Ride – charged by FIGJAM for asking everyone if they brought a chair to Hash.	

Rabbi was then charged for his phone going off in the circle. Singapore Sling then had to join him when Rabbi showed a pre-recorded video of Raw Liver saying hello from Kenya and Singapore Sling yelled out 'HELLO Raw Liver'.

Flower – charged by Pounda for starting up her own school. See photo below.

B1 – charged by Why Not for putting his shirt on backwards. FIGJAM had to take the drink as B1 came from his loins and he trained him.
