HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Hare – Killer

On a cold winter night the brave and foolish gathered in Everton Hills for another Killer ball breaker. The brave as the temperature was down to a chilly 10 degrees with the wind making it feel even colder, and the foolish as everyone knows that Everton Hills isn't name after the flat ground there. We had 17 Hashers arrive in time for the run/walk and 1 Hasher coming in a bit late and nearly taking out a few walkers on her way in.

At 6.30pm, quiet was called for and Killer said that the trail was on chalk and it was on the left, except for when it was on the right. He said the run was about 6km and the walk was about 4.5km. He clearly doesn't know his distance's as both were a little bit further than was claimed.

The Run

There were five runners tonight being FIGJAM, B1, Little Squirt, Strong As Shit and Chunda. The runners were set off on the same trail as the walkers at first and then they speared off at about the 3km mark for an extra loop to get their distance up, before meeting back up with the walkers on Becketts Road to head for home. - **The run was 7.05 km.**

The Walk

The rest of us set off on the walk chasing the runners before we eventually got to the point where we split off, with the runners heading off through a gate and the walkers heading up Becketts Road. Up to the Rode Road roundabout, back up the hill for a left turn and head back to home.

- **The walk was 5.94 km.**

The Circle

The GM was back and got the circle under a little bit late due to two Hashers getting lost out on the walk.

Pounda was asked to give the run count with no special runs this week.

We had a one returnee this week being Killer. He said he has been off to Europe and England.

Killer was then called to the center to be stoned to death for his sins.

Strong As Shit was asked to the run report – She said it was alright, wasn't too long but she didn't like the hills but it was ok. A score of **6 out of 10**

Singapore Sling was asked to give the walk report – He said that if he had of had a piece of chalk he would've given it to Killer. Obviously there was a severe shortage of arrows out on the walk. He gave it a score of **-2 out of 10**

Ground Sheet was asked to give a security report – She said that it wasn't very good because Killer was panicking that the plates hadn't turned up yet. He gave it a score of **2 out of 10**

Total of 6 out of 30

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Strong As Shit and Structure Fucker – charged by the RA. One for running too fast and one for running on the walk. FIGJAM had to join them for saying that it was a running club. We are a drinking club with a running problem.	Big Dick – Tight Arse has this and was missing in action.
FIGJAM – charged by the RA for B1 putting his shirt on backwards twice. The RA had to join him as B1 put his shirt on backwards right next to the RA and he missed it.	Two Dicks – Ryvita has these and was missing in action.
Strong As Shit – charged by Chunda for calling out like a lion when she was behind trying to catch up but then once she got in front she called out like a mouse. She also tore past the runners like a woman possessed and still got beaten home by Chunda and B1.	Grub Shirt – Strong As Shit had this and gave it to B1 for putting his shirt on backwards last week twice.
Wrong Way and Long Time Cumming – charged by Pounda for getting lost out on the walk and causing the circle to start late.	The Bone – Tight Arse has this and was missing in action.
Little Squirt – charged by FIGJAM for being too competitive out on the run and short cutting just to stay in front of FIGJAM.	The Walking Stick – FIGJAM had this and forgot to bring it, so was made to have drink for his troubles.
Killer – charged by FIGJAM for having a box from a kettle for a bike helmet in his garage.	
Killer – charged by Structure Fucker for trying to kill the GM by making him cross the main roads too many times. Structure Fucker had to join him as his story telling needs some work as he kept getting everyone's names mixed up.
