## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2410

#### Hare – Corn Cob

It was off to new territory for tonight's run in Bray Park for Corn Cob's virgin run as a BNH3 Hare. We had 21 Hashers tonight with almost everyone arriving in time for the 6.30pm run. All except for Ryvita and our GM Ten Fingers who arrived as we were stepping off, apparently the GM was navigating, and we know what he is like at that.

At 6.30pm, everyone was sent out the front for Corn Cob to give the run/walk instructions. I didn't actually hear what was said as I was still trying to get out the gate. Either that or I wasn't actually listening.

#### The Run

There were five runners tonight being FIGJAM, B1, Little Squirt, Strong As Shit and Chunda. The runners were set off on the same trail as the walkers at first and then I lost them and never seen them again until I got home. Unsure how long the run was as no one mentioned just how long it was.

- The run was ? km.

#### The Walk

The rest of us set off on the walk for a nice leisurely stroll through Bray Park. It wasn't too long before we were heading for home after what was a fairly flat walk.

- The walk was 2.78 km.

## The Circle

The GM called for the circle to be formed and then pissed off to the esky for 5 mins to get another drink. We eventually got started with everyone gathering around the fire pit and Pounda was asked to give the run count with no special runs this week.

We had a three returnee's this week being Ryvita, Vampire and making a very rare appearance was G-Spot. Ryvita has been away in Toowoomba and Vampire has just been too slack to come to Hash. G-Spot said he had been about 500m north looking after the grandkids.

The circle was then handed over to a stand in RA in Rabbi.

Corn Cob was then brought to the middle to face the firing squad.

B1 was asked to the run report – He said it was brilliant, not too long and not too short, not too much shiggy and only managed to get one runner wet feet. He gave it a score of **1 out of 10**

Tail was asked to give the walk report – She said that she was impressed as she knew where she was going. It was well marked, not too long and not too short but she was glad to come home. She gave it a score of **2.78 out of 10**

There was no security this week so a report wasn't given. There was security but we weren't going to let the Hare give his own report.

**Total of 3.78 out of 20**

The circle was thrown open to Charges and Awards as below.

Charges	Awards
The runners – charged by the Rabbi as they were the only ones that got to run past the drink stop.	Big Dick – Tight Arse has this and was missing in action.
Singapore Sling – charged by Rabbi as the spokesperson for the walkers and charged because the front bastards didn't wait up at the re-group.	Two Dicks – Ryvita had these and gave them to Ten Fingers for his exceptional navigational skills that got them to Hash as the runners and walkers were setting off.
Pounda, Vampire and Structure Fucker – given a bonus beer by Rabbi for actually waiting up at the re-group.	Grub Shirt – B1 had this and gave it to Little Squirt for pissing off to 10 pin bowling instead of helping Corn Cob set the trail.
Ten Fingers – charged by Rabbi for not seeing the torches or hearing the calls of Pounda and trying to work out where to go.	The Bone – Tight Arse has this and was missing in action.
Smooth Ride – charged by FIGJAM for saying that she was hot. She was in the 70's.	The Walking Stick – FIGJAM had this and gave it to Smooth Ride for saying she is HOT.
B1 – charged by Jake the Peg for asking who Reg Grundy was.	The Dummies' have finally made a return having been held by G-Spot for god knows how long. He gave them to Little Squirt for whining.
Tail and Jake the Peg – charged by Little Squirt for not following instructions and parking in Baker St, but instead parking in the front yard.	
Pounda – charged by FIGJAM for an incident with a stolen Army truck on State of Origin night. Guilt by association there.	
Strong As Shit – charged by Pounda for confusing everyone and turning up 10 mins before the run started.
