## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2412

#### Hare's – Pounda & Beat-a-Root

They came from afar for the year's best run in anticipation of a cracking Pounda set run/walk and a Beat-a-Root feast fit for a king. And they weren't disappointed as both were delivered with gusto. There was even a nice cast iron fire pot to boot to keep the crowd warm.

At 6.33pm, yes we had to wait for the Hash Grog; Pounda gave the run/walk instructions. He said it was on chalk and the trail was on the left, except when it was on the right. Walkers be careful of the path under repair. And with that we were off.

#### The Run

We had four runners tonight being FIGJAM, B1, Strong As Shit and Chunda. The runners were set off on a different trail to the walkers before joining back up and then splitting off again with a cheeky false trail. They then joined back up again before splitting off again and this was the theme of the night. There were lots of checks, a couple of false trails and even a nice little creek crossing before joining back up with the walkers for the final leg home.

- The run was 7.19 km.

#### The Walk

The walkers set off out to Francis Road, up to Young's Crossing Road, on over Todd's Road and on to the pathways beside One Mile Creek where they followed that around to the North Pine River before heading back up a slight hill and back home again. The whole time staying in only one suburb.

- The walk was 4.97 km.

## The Circle

The GM was back and got the circle underway. The RA was away so the GM appointed a stand-in with Strong As Shit getting the honor.

Pounda was asked to give the run count with no special runs this week.

We had a two returnee's this week being Sherbet and Cheesecake.

Pounda was then invited to the middle of the circle to be praised for his trail setting expertise.

Chunda was asked to the run report – He said it was fucking brilliant and Pounda should give some others some coaching on how to set runs. He gave it a score of **-1 out of 10**

Flower was asked to give the walk report – She said that it was a great walk, extremely well-marked and flat as a tack, very nice. She gave it a score of **15 out of 10**

Little Squirt was asked to give the security report – He said it was peaceful and quiet, the people were great, the conversation was great and the fire was great, until someone stuffed it. He gave it a score of **0 out of 10**

**Total of 14 out of 30**

The circle was thrown open to Charges and Awards as below.
