HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2415

Hare – Flower

We were off to some old stomping grounds this week with Flower infiltrating one of Ned's of run locations at John Goss Reserve at Chermside West. We had another good crowd turn up with 21 Hasher's making the trip including a couple of returnee's.

At 6.32pm, (this was because Flower was rescuing Vampire from driving up and down the road trying to find the venue), Flower gave the run/walk instructions. She said that she went easy on us bunch of soft cocks so it wasn't going to be too long or too hard. She was lying of course. With that we were off with three separate groups being the short walk, the long walk and the runners.

The Run

There were six runners tonight being FIGJAM, B1, Chunda, Strong As Shit, Little Squirt and making a return was Ned. They set off on the same trail as the walkers, heading off across the cricket oval towards Maundrell Terrace and were never seen again we got back to the bucket.

- The run was about 5 km

The Walk

The walkers set off chasing the runners on the same trail and that's the last we seen of them. We went up some hills and down some hills and then back up some hills and then down some more hills, and this was the theme of the night. We did manage to find a nice pathway along the creek as well with a nice little creek crossing to go with it before eventually coming back up another hill and back home again.

- The walk was 4.48 km.

The Circle

The GM was away again so the RA took charge and got the circle underway.

Pounda was asked to give the run count with no special runs this week.

We had a few returnee's this week being Hooker, Rabbi and the long awaited return of Ned.

The Hare were called to the center to be absolutely crucified for her sins.

Strong As Shit was asked to give the run report – She said it was very good, they didn't get lost and the marks were very big and she didn't get wet which was a plus and they were back home before they knew it, it was great. She gave it a score of **7 out of 10**

Pounda was asked to give the walk report – He said that it was his new least favorite walk as there were too many hills although a nice distance of 4 ½ kms but way to many hills for his liking. He gave it a score of **3 out of 10**

Corn Cob was asked to give the security report – However he had lost his voice so Ground Sheet was asked to do it instead. She said it was lovely, a bit breezy but nice and quiet (that's one plus to Corn Cob losing his voice). She gave it a score of **4 out of 10**

Total of 14 out of 30

The circle was thrown open to Charges and Awards as below.

Charges	Awards
Little Squirt – charged by Pounda for his phone going off in the circle.	Big Dick – Tight Arse has this and was missing in action.
Little Squirt – charged by FIGJAM for still not having his licence even he has had his learners since 2016.	Two Dicks – Structure Fucker had these and gave them to Strong As Shit for not being able to hold her hand up, so now she can practice on the two dicks.
Strong As Shit and B1 – charged by Chunda for not following the trail all the way to the end and short cutting across the oval.	Grub Shirt – Flower had this and gave it to Little squirt for having to sit on the floor in the middle of the circle all night, and bragging that he didn't have any awards.
Flower – charged by Structure Fucker for not looking after the Tail-End-Charlie in Pounda and making him go up the last hill backwards because the hill was too steep.	The Bone – Tight Arse has this and was missing in action.
ET and Singapore Sling – charged by FIGJAM for organizing entertainment after last week's run by opening up the field to the local hooligans to do burn outs, and then phoning the Police on them.	The Walking Stick – Cheesecake had this but was missing in action.
Smooth Ride – charged by Pounda for some lost property from last week's Hash. She went home before she got her vest back off of Just Clacker.	The Dummy's – Heart Starter had these but was missing in action.
Strong As Shit – charged by Pounda because it looks like her counterfeiting machine has broken down. Every week she brings along a nice new crisp \$50 note to pay for Hash, but this week she produced a shitty old \$20 note instead. Times are tough.
