HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2416

Hare's – Ryvita & her little helper B1

We were back off to the old faithful suburb of Kallangur this as Ryvita put her hand up to host a run at short notice. She did have to get a helper to set the run for her and the full of energy young Hare Raiser B1 stepped up to help out. We had another good crowd turn up with 20 Hasher's making the trip.

At 6.30pm, B1 sent everyone out the front and gave the run/walk instructions. He said that run was 6438 steps, and the walk was 4285 steps, it was on chalk and it was On On to the north. With that we were off with the walkers chasing the runners

The Run

There were five runners tonight being FIGJAM, B1, Chunda, Strong As Shit and Ned. They set off down the hill towards the creek with the walkers following on the same trail. Up and down the hills of Kallangur doing a few extra loops to the walkers and catching back up again to then run off on another loop before eventually finding their way home again.

- The run was 6.3 km

The Walk

The walkers set off chasing the runners on the same trail, down the hill to the creek, over the creek and then up some laneways up the hills then heading west, back down some hills and through some parks before coming out onto Brickworks Road and then headed for home through the back streets near the GM's.

- The walk was 4.65 km.

The Circle

The GM was back and got the circle underway with Killer as his stand-in RA.

Pounda was asked to give the run count with no special runs this week.

We had a no returnee's this week.

The Hare's were called to the center to face the critics.

Strong As Shit was asked to give the run report – She said it was great as she got to Hash a couple of minutes late so had to set off chasing the runners down. There were lots of regroup, well-marked, bit hilly and long enough. She gave it a score of **4 out of 10**

Smooth Ride was asked to give the walk report – She said that it was well marked, not too treacherous, good company. She gave it a score of **5 out of 10**

Little Squirt was asked to give the security report – He said it was good, no one to talk too until Ryvita came outside, (clearly he doesn't like talking to his own mother). He gave it a score of **3 out of 10**

Cheesecake was asked to give the letterbox report – He said he was walking with the walkers for a little while and then turned for home early and was walking with all his friends (Neville, Nigel and No One) He gave it a score of **10 out of 10**

Total of 22 out of 40

The circle was thrown open to Charges and Awards as below.

Charges	Awards
B1 – charged by FIGJAM for not knowing how long his own set run was.	Big Dick – Tight Arse has this and was missing in action.
Little Squirt – charged by FIGJAM for still not having his licence. He is going to be charged each week for this until he gets it.	Two Dicks – Strong as Shit had these and gave them to B1 for not knowing how long his own run was.
ET – charged by Ten Fingers for running on the run to catch up to the walkers. Or was that running to get away from Ten Fingers.	Grub Shirt – Little Squirt had this but was made to keep it as he didn't go out on the run so he technically didn't wear it.
Little Squirt – charged by B1 as B1 took FIGJAM out to lunch for father's day and drove him there. Which is more than Little Squirt could do as he doesn't have a licence and couldn't drive.	The Bone – Tight Arse has this and was missing in action.
Little Squirt – charged by Ground Sheet for going for a drive on the weekend to the Gold Coast and over into NSW and not realizing that he had actually crossed the border. And we are trying to give him a licence. God help us.	The Walking Stick – Cheesecake had this but forgot to bring it again and got a drink for his sins.
Cheesecake – charged by Pounda for saying that he can now lift 1kg with his newly repaired shoulder and that he does it several times a day. I think he was bragging about how heavy his old fella is.	The Dummy's – Heart Starter had these but was missing in action.
B1 – charged by FIGJAM for taking him out for dinner for father's day and then making FIGJAM pay for it.
